

NOVEMBER 2009 ADVANCE REPORT

The November 2009 Advance Report is not available. The Census Bureau encountered a processing error when revising historic seasonally adjusted data for the November Advance and Full Reports. We re-issued the November 2009 Full Report in a Special Release on January 29. See

http://www.census.gov/manufacturing/m3/historical_data/pressreleases/prel/2009/nov09prel.pdf. We, however, were unable to recreate the November Advance Report. For additional information, please contact Chris Savage or Jessica Young at 301 763-4832.
