Inside American FactFinder®

View data quickly using single-page Fact Sheets.

Fact Sheets are available for:
- Your state, county, city or town, ZIP Code, and census tract.
- Detailed race, ethnic, and ancestry groups.
- Detailed industries—see the Business and Government link.

Access detailed data quickly.

Decennial census—Taken every 10 years, provides detailed demographic data including income, education, commuting, home values, poverty, and much more.

American Community Survey—Annual demographic data allows you to track trends and changes in your community.

Annual population estimates—Annual estimated population totals for cities and towns, metropolitan areas, counties, and states.

Economic census—A detailed portrait of the nation’s economy including retail trade, health services, construction, and more.

Annual economic surveys—Annual detailed economic data including numbers of employers, establishments, and sales receipts.

View and compare data in American FactFinder® using tables and reports.

Quickly retrieve and compare information on population, housing, income, and industries to:
- Learn about communities where you live and work.
- Find national, state, and local population counts and income distribution.
- Choose the best location for a business.
- Estimate your company’s market share and determine growth rates.
- Plan for new schools, hospitals, and road improvements.
- Direct essential services where they are needed.

View data in the form of thematic maps.

Easily see geographical patterns in statistical data on a map to:
- Compare the distribution of income, housing, and population for an area.
- Identify locations for setting up a new service or business based on population, age, gender, and income data.
