

INDEX.

[**Bold-faced figures** indicate pages on which information is presented by divisions and states; where no date is given in the index, information is for 1920 and 1910 (or occasionally for 1920 only).]

- Abandoned farms and farm land, 1920, 12, 29; extracts from correspondence relating to, 917-921.
- Acreage, farm, *see* Land in farms.
- Agricultural centers, 19, 20 (map).
- Alfalfa, acreage and farms reporting, 792, 796-807.
production, 792, 796-807; average per acre, 792, 796-807.
value, 792, 796-807; average per ton, 792, 796-807.
- Alfalfa seed (1909 only), farms reporting, production, and value, 786. *See also* Clover seed and alfalfa seed.
- Alligator pears, production, 873; leading states, 707.
trees, 873; farms reporting, 873.
value, 873.
- Almonds, production, 701; 1899-1919, 874, 878; leading states, 707.
trees, 874, 878; farms reporting, 874, 878.
value, 701, 874, 878.
- Animals, domestic, *see* Domestic animals.
- Annual legumes, *see* Beans; Legumes (annual) cut for hay; Peas.
- Apples, production, 701, 718, 725; 1899-1919, 860, 863; leading states, 707.
sales (farms reporting, quantity, and value), 718, 725.
trees, 860, 863; farms reporting, 718, 725, 860, 863.
value, 701, 718, 725, 860, 863; in table for leading crops in each state, 705-706.
- Apricots, incompleteness of reports, 860.
production, 701; 1899-1919, 860, 868; leading states, 707.
trees, 860, 868; farms reporting, 860, 868.
value, 701, 860, 868.
- Area, land, *see* Land area of United States.
- Asparagus raised for sale, acreage and farms reporting, 823; 1899-1919, 820; value, 820, 823.
- Asses and burros on farms, farms reporting, 522, 523-529, 532, 533, 539.
number, 522, 530, 531, 532, 533, 539, 540-541, 614; 1890-1920, 533, 548; average per farm reporting, 522, 532; leading states, 533; per cent distribution by states, 545.
number, by color and tenure, 197.
number, by size of farm, 70.
number, by tenure, 131.
value, 522, 523-529, 532, 533, 539, 543; average per head, 522, 532, 533, 539, 544; per cent of total value of all domestic animals, 522, 523-529; per cent of total value of all live stock, 519.
value, by color and tenure, 197.
value, by size of farm, 70.
value, by tenure, 131.
- Asses and burros not on farms, inclosures reporting, 614, 615; in cities of 25,000 inhabitants or more, 621-627.
number, 615, 618; 1900-1920, 614; in cities of 25,000 inhabitants or more, 621-627; per cent of all asses and burros, 628.
- Asses and burros on farms and not on farms, number, 614, 629, 630.
- Automobiles on farms (1920 only), farms reporting, 512, 514.
numbers, 512, 513 (dot map), 514; per 1,000 of all farms, 512.
- Avocados, *see* Alligator pears.
- Bananas, production, 873; leading states, 707.
trees, 873; farms reporting, 873.
value, 873.
- Barley, acreage, 700, 732, 755; 1879-1919, 732, 754, 756; average per farm reporting, 756; 1899-1919, 754; leading states, 754; per cent distribution by states, 757; per cent of total crop acreage, 701; 1899-1919, 754; per cent of total improved acreage, 701; 1879-1919, 754, 757.
exports (quantity and value), 705.
farms reporting, 718, 721, 732, 755; 1899-1919, 754; per cent of all farms, 757; 1899-1919, 754.
production, 700, 718, 721, 732, 755; 1879-1919, 732, 756; 1849-1919, 754; average per acre, 1879-1919, 754, 757; leading states, 707, 754, 754 (diagram); per cent distribution by states, 1879-1919, 757.
sales—farms reporting and quantity, 718, 721; value, 718, 723.
value, 700, 732, 755; 1899-1919, 732, 754; average per acre, 702; 1899-1919, 754; average per bushel, 757; 1899-1919, 754; per cent of total value of all crops, 702; 1899-1919, 754.
- Béans, dry edible, acreage, 700; 1899-1919, 774, 775; average per farm reporting, 776; 1899-1919, 774; per cent distribution by states, 776; per cent of total crop acreage, 701; 1899-1919, 774; per cent of total improved acreage, 701; 1899-1919, 774, 776.
farms reporting, 775; 1899-1919, 774; per cent of all farms, 776; 1899-1919, 774.
production, 700; 1899-1919, 774, 775; average per acre, 1899-1919, 774, 776; leading states, 707; per cent distribution by states, 1899-1919, 776.
value, 700, 775; 1899-1919, 774; average per acre, 702; 1899-1919, 774; average per bushel, 776; 1899-1919, 774; per cent of total value of all crops, 702; 1899-1919, 774.
- Beans (green) raised for sale, acreage and farms reporting, 823; 1899-1919, 820; value, 820, 823.
- Beans, miscellaneous (dry other than edible), acreage, production, and value, 700; 1899-1919, 777. *See also* Castor beans; Horse beans; Soy beans.
- Beans, velvet, *see* Velvet beans.
- Beef cattle on farms, explanatory text, 551.
farms reporting, 633; by age and sex, 551, 555-559.
number, 552 (dot map), 633; by age and sex, 551, 555-559, 566-567, 614; leading states, 551; per cent distribution by states, 571; per cent of all cattle on farms, 570.
value, 568; by age and sex, 551, 555-559; average per head, 551, 555-559, 569.
- Beef cattle not on farms, by age and sex (1920 only), inclosures reporting, 619; number, 614, 619.
- Beef cattle on farms and not on farms, by age and sex (1920 only), number, 614, 631.
- Bees on farms, comparability of statistics, 612.
farms reporting, 613, 636, 638; 1900-1920, 612.
number of hives, 636, 638; 1900-1920, 612, 613; average per farm reporting, 613, 638.
value, 519, 520, 613; 1900-1920, 612; average per hive, 613; 1900-1920, 612; per cent of total value of all live stock, 519.
- Beeswax produced on farms, quantity, 649, 686, 687; 1859-1919, 650, 689.
value, 649, 650, 686, 687; average per pound, 688.
- Beets raised for sale, acreage and farms reporting, 823; 1899-1919, 820; value, 820, 823.
- Beets, sugar, *see* Sugar beets.
- Berries, *see* Blackberries; Cranberries; Strawberries; etc.
- Berries, "other," acreage and production, 701; 1899-1919, 851, 859; farms reporting, 851, 859; leading states, 708; value, 701, 851, 859.
- Blackberries and dewberries, acreage and production, 701; 1899-1919, 851, 856; farms reporting, 851, 856; leading states, 707; value, 701, 851, 856.
- Broom corn, acreage, 701; 1889-1919, 849; farms reporting, 849; leading states, 707; production, 701; 1879-1919, 849; value, 701, 849.
- Broom-corn seed, acreage, farms reporting, production, and value, 790; leading states, 707.
- Brussels sprouts raised for sale, acreage, farms reporting, and value, 820, 823.
- Buckwheat, acreage, 700, 732, 763; 1879-1919, 732, 762, 764; average per farm reporting, 764; 1899-1919, 762; per cent distribution by states, 765; per cent of total crop acreage, 701; 1899-1919, 762; per cent of total improved acreage, 701; 1879-1919, 762, 765.
exports (quantity and value), 705.
farms reporting, 732, 763; 1899-1919, 762; per cent of all farms, 765; 1899-1919, 762.
production, 700, 732, 763; 1879-1919, 732, 764; 1849-1919, 762; average per acre, 1879-1919, 762, 765; leading states, 707, 762 (diagram); per cent distribution by states, 1879-1919, 765.
value, 700, 732, 763; 1899-1919, 732, 762; average per acre, 702; 1899-1919, 762; average per bushel, 765; 1899-1919, 762; per cent of total value of all crops, 702; 1899-1919, 762.
- Buildings (farm), value, 24; 1900-1920, 49; average per acre of all land in farms, 24; 1900-1920, 59; average per acre of improved land in farms, 24, 29; average per farm, 24; 1900-1920, 57; per cent of value of all farm property, 24, 29 (diagram); 1900-1920, 60.

[**Bold-faced figures indicate pages on which information is given by divisions and states.**]

Buildings (farm)—Continued.

- value, by color and tenure, 195, 224-233; 1920 (detailed classification), 196 (for the South), 252-273; average per acre, 196, 244-251; average per farm, 196, 244-251; 1920 (detailed classification), 252-273; per cent distribution by tenure, 195, 196 (for the South), 234-243; per cent of value of all farm property, 196.
- value, by size of farm, 69, 88-93; average per acre, 70, 94-100; average per farm, 69, 94-100; per cent distribution, 68, 69.
- value, by tenure, 129, 153-157; 1920 (detailed classification), 130 (for the South), 167-176; average per acre, 130, 163-166; average per farm, 130, 163-166; 1920 (detailed classification), 167-176; per cent distribution, 130, 130 (for the South), 158-162; per cent of value of all farm property, 130.
- See also* Land and buildings.
- Butter made on farms, farms reporting, 654, 659.
- quantity, 649, 654, 659; 1879-1919, 655 (diagram); 1849-1919, 650, 655, 660; average per farm, 659; per cent distribution by states, 1879-1919, 670; per cent sold, 1899-1919, 669.
- value, 649, 650, 654, 659; average per pound, 654, 659.
- Butter made in factories, quantity, 1879-1919, 655, 655 (diagram), 661; transfer of production from farms, 655.
- Butter made on farms and in factories, quantity, 1879-1919, 655, 661.
- Butter sold by farmers, farms reporting, 654, 667.
- quantity, 649, 654, 667; 1899-1919, 650, 655, 669; per cent of total farm production, 1899-1919, 669.
- value, 649, 654, 665; 1899-1919, 650; average per pound, 654.
- Butter fat sold by farmers, explanatory text, 655.
- farms reporting, 654, 667.
- quantity, 649, 650, 654, 656, 667, 669; per cent distribution by states, 670.
- value, 649, 650, 654, 665; average per pound, 654.
- Cabbages raised for sale, acreage and farms reporting, 824; 1899-1919, 820; value, 820, 824.
- Calves raised on farms (1919 only), explanatory text, 690.
- farms reporting, 691, 692.
- number, 690, 690 (diagram), 691, 692; average per farm, 690, 691, 692; per cent of all cattle on farms, 690.
- Cantaloupes and muskmelons raised for sale, acreage and farms reporting, 824; 1899-1919, 820; value, 820, 824.
- Carrots raised for sale, acreage and farms reporting, 824; 1899-1919, 820; value, 820, 824.
- Cash tenants, definition, 121, 187; number, 122, 127 (for the South), 148-152; 1880-1920, 124, 133-142; per cent of all farmers, 123, 127 (for the South); 1880-1920, 124, 133-142; per cent of all tenants, 124.
- by age and color, number, 350, 352 (for the South), 355-374; per cent distribution by age, 351, 353 (for the South), 375-384; per cent of all farmers, 351, 353 (for the South), 385-394.
- by color, number, 189, 193 (for the South), 214-223; 1900-1920, 198-202; per cent of all farmers, 189, 193 (for the South); per cent of all tenants, 191.

Cash tenants—Continued.

- by number of years on farm and color, number, 404-405, 406, 406 (for the South), 407-424, 425-432; per cent distribution by number of years on farm, 405, 406, 406 (for the South), 433-441, 451-456; per cent of all farmers, 405, 442-450.
- See also* Farm property, value, by tenure; Land in farms, acreage, by tenure; etc.
- Cassava (1919 only), acreage, production, and value, 851; leading states, 707.
- Castor beans, acreage, production, and value, 1899-1919, 777; farms reporting, 777; leading states, 707.
- Cattle on farms, comparability of statistics, 522, 550.
- farms reporting, 522, 523-529, 551, 555-559, 560-564, 565, 633, 639.
- number, 522, 530, 550, 551, 555-559, 560-564, 566-567, 614, 633, 639; 1850-1920, 553, 572; average per farm, based on all farms, 565; average per farm reporting, 522, 551, 553, 565; average per 1,000 acres of all land in farms, 551, 565; average per 1,000 acres of improved land in farms, 551, 565; leading states, 551; per cent distribution by states, 571; 1880-1920, 572.
- number, by color and tenure, 197, 274-281.
- number, by size of farm, 70, 107-112.
- number, by tenure, 131, 177-180.
- value, 522, 523-529, 551, 555-559, 560-564, 563; average per head, 522, 551, 553, 555-559, 560-564, 569; per cent of total value of all domestic animals, 522, 523-529; per cent of total value of all live stock, 519.
- value, by color and tenure, 197, 282-289.
- value, by size of farm, 70, 113-118.
- value, by tenure, 131, 181-184.
- See also* Beef cattle on farms; Cattle, pure-bred; Cattle and calves slaughtered on farms; Dairy cattle on farms.
- Cattle, pure-bred (1920 only), explanatory text, 633.
- farms reporting, 633, 634, 639; per cent of all farms reporting cattle, 639; by breed and sex, 634.
- number, 633, 634, 639; by breed and sex, 634, 640-643; by sex, 633, 639, 640, 642; per cent of all cattle, 633, 634, 639.
- Cattle not on farms, inclosures reporting, 614, 616, 619; in cities of 25,000 inhabitants or more, 621-627.
- number, 616, 619; 1900-1920, 614; in cities of 25,000 inhabitants or more, 621-627; per cent of all cattle, 628.
- Cattle on farms and not on farms, number, 614, 629, 631.
- Cattle and calves slaughtered on farms, explanatory text, 690.
- farms reporting, 691, 693.
- meat and meat products sold, 691, 693.
- number, 691, 693; average per farm, 691; per cent of all calves raised, 691.
- Cauliflower raised for sale, acreage and farms reporting, 824; 1899-1919, 820; value, 820, 824.
- Celery raised for sale, acreage and farms reporting, 825; 1899-1919, 820; value, 820, 825.
- Census of agriculture, 1920, area of enumeration, 10; date of enumeration, 11-12; degree of accuracy, 13-14; instructions to enumerators, 903-910; law providing for, 4, 10-11; machine tabulation, 10; method of presenting statistics, 19; publications, 9-10; schedules, description, 11; schedules, facsimile, 911-916.

- Cereals (all), acreage, 700, 732, 733; 1879-1919, 731, 732, 734; per cent distribution by states, 735; per cent of total crop acreage, 701; 1899-1919, 731; per cent of total improved acreage, 701; 1879-1919, 702, 731, 735.
- production, 700, 732, 733; 1879-1919, 731, 732, 734; average per acre, 1879-1919, 731; per capita, 1879-1919, 731; per cent distribution by states, 1879-1919, 735.
- value, 700, 732, 733; 1899-1919, 731, 732; average per acre, 702; 1899-1919, 731; average per bushel, 1899-1919, 731; per cent of total value of all crops, 702; 1899-1919, 731.
- See also* Corn; Oats; Wheat; etc.
- Cheese made on farms, farms reporting, 654, 655, 662.
- quantity, 649, 654, 655, 662; 1849-1919, 650, 655, 663; average per farm, 655, 662; per cent distribution by states, 1879-1919, 670.
- value, 649, 650, 654, 662; average per pound, 654, 662.
- Cheese made in factories, quantity, 1879-1919, 655, 664.
- Cheese made on farms and in factories, quantity, 1879-1919, 655, 664.
- Cheese sold by farmers, quantity, 1899 and 1909, 650, 669; value, 1909, 665; 1899 and 1909, 650.
- Cherries, production, 701; 1899-1919, 860, 867; leading states, 707.
- trees, 860, 867; farms reporting, 860, 867.
- value, 701, 860, 867.
- Chickens on farms, comparability of statistics, 599.
- farms reporting, 599, 602-606, 677, 679, 681; per cent of all farms, 599, 600, 602-606, 677.
- number, 601, 602-606, 677, 679, 681; 1890-1920, 599, 610; average per farm reporting, 599, 608; average per 1,000 acres of land in farms, 599; leading states, 600; per cent distribution by states, 608.
- value, 599, 602-606; average per fowl, 599, 602-606, 609.
- See also* Chickens raised on farms; Chickens sold by farmers; Eggs produced on farms.
- Chickens raised on farms, explanatory text, 677.
- farms reporting, 677, 678, 681.
- number, as reported, 677, 678, 681.
- number, including estimates, 649, 650, 677, 678, 681, 682; per cent distribution by states, 685.
- value, as reported, 677.
- value, including estimates, 649, 650, 681, 682; chickens and eggs, 651.
- Chickens sold by farmers (1919 only), farms reporting, 677, 684.
- number, 650, 677, 678, 684.
- value, 650, 677, 684; average value, 684.
- Chickory, acreage, production, and value, 851; leading states, 707.
- Chinese farmers, number, 1900-1920, 293, 310; by tenure, 298, 311-312. *See also* Improved land in farms, acreage, by race of colored farmers; Land and buildings, value, by race of colored farmers; Land in farms, acreage, by race of colored farmers.
- Chufas, acreage, production, and value, 851; leading states, 707.
- Cider, farms reporting, 861, 870; production, 1899-1919, 861, 870.
- Cider made (or to be made) into vinegar (1919 only), farms reporting and production, 861, 870.

[**Bold-faced figures indicate pages on which information is given by divisions and states.**]

- Citrons, production, 1899-1919, **872**; leading states, 707.
trees, **872**; farms reporting, **872**.
value, **872**.
- Citrus fruits (all), production, 1899-1919, **872**; trees and value, **872**. See also Grapefruit; Lemons; Oranges; etc.
- Clover, acreage and farms reporting, 792, **796-807**.
production, 792, **796-807**; average per acre, 792, **796-807**.
value, 792, **796-807**; average per ton, 792, **796-807**.
See also Timothy and clover mixed.
- Clover seed, farms reporting, **786, 789**; production and value, 700, **786, 789**; leading states, 709. See also Clover seed and alfalfa seed.
- Clover seed and alfalfa seed, farms reporting, **786, 789**; production and value, 700, **786, 789**; leading states, 708.
- Coconuts, production, 701, **875**; leading states, 707; value, 701.
- Colored farmers, number, 1900-1920, **299**; per cent of all farmers, 294 (diagram), 296 (map); per cent operating rented farms, 190 (map); percentage of all farm land operated, 297 (map); percentage of improved land operated, 297 (map).
by age, number, 349; per cent distribution, 349.
by age and tenure, number, 350, 352 (for the South), **355-374**; per cent distribution of age groups by tenure, 351, 353 (for the South), **385-394**; per cent distribution of tenure classes by age, 351, 353 (for the South), **375-384**.
by number of years on farm, number, 404; per cent distribution, 404.
by number of years on farm and tenure, number, 405, **407-424**; per cent distribution of occupancy groups by tenure, 405, **442-450**; per cent distribution of tenure classes by number of years on farm, 405, **433-441**.
by race, number, 1900-1920, 293, **310**; per cent distribution, 298; per cent of all farmers, 298; 1900-1920, 293.
by race and tenure, number, 298, **311-312**.
by tenure, number, 189, 193 (for the South), 295, 301; 1920 (detailed classification), 193 (for the South), **214-223**; 1900-1920, 191, 194 (for the South), **198-202**; per cent distribution, 187, 188 (diagram), 189, 193 (for the South), 295, 303; 1900-1920, 191, 192 (diagram for the South), 194 (for the South), 203; per cent of all farmers, 295, 302; percentage of farm land operated by tenants, 192 (map); percentage operating rented farms, 190 (map).
See also Farm property, value, by color and tenure; Land in farms, acreage, by color and tenure; etc.
- Cooperative marketing and purchasing by farmers (1920 only), amount of sales and purchases, 510, 510 (diagram), **511**; average per farm reporting, 510, **511**.
chief products sold and purchased, 510.
farms reporting, 510, **511**.
- Corn, acreage, 700, **712, 732, 738**; 1879-1919, 732, 736, 739; average per farm reporting, **739**; 1899-1919, 736; leading states, 736; per cent distribution by states, 740; per cent of total crop acreage, 701; 1899-1919, 736; per cent of total improved acreage, 701, **716**; 1879-1919, 702, 736, 740.
Corn—Continued.
exports (quantity and value), 705.
farms reporting, 718, **719, 732, 738**; 1899-1919, 736; per cent of all farms, 740; 1899-1919, 736.
production, 700, **718, 719, 732, 737** (dot map), **738**; 1879-1919, 732, **739**; 1849-1919, 736, 736 (diagram); average per acre, 1879-1919, 736, **740**; leading states, 707, 736, 736 (diagram); per capita, 1869-1919, 736; per cent distribution by states, **597**; 1879-1919, 740.
sales—farms reporting and quantity, **718, 719**; value, **718, 723**.
value, 700, **714, 732, 738**; 1899-1919, 732, 736; average per acre, 702; 1899-1919, 736; average per bushel, **740**; 1899-1919, 736; per cent of total value of all crops, 702, **717**; 1899-1919, 736; in table for leading crops in each state, 705-706.
See also Corn cut for forage.
- Corn cut for forage (1919 only), explanatory text, 791.
acreage, 791, 792, **796-807**.
farms reporting, 792, **796-807**.
production, 792, **796-807**; average per acre, 792, **796-807**.
value, 699, 792, **796-807**; average per ton, 792, **796-807**.
- Corn, pop, see Pop corn raised for sale.
- Corn, sweet, see Sweet corn raised for sale.
- Cotton, acreage, 701, **713, 838**; 1879-1919, **836, 839**; average per farm reporting, **839**; 1899-1919, 836; per cent distribution by states, **839**; per cent of total crop acreage, 701; 1899-1919, 836; per cent of total improved acreage, 701, **716**; 1879-1919, 702, **836, 839**.
exports (quantity and value), 705.
farms reporting, **838**; 1899-1919, 836; per cent of all farms, **839**; 1899-1919, 836.
production, 701, **837** (dot map), **838**; 1879-1919, **839**; 1849-1919, 836, 836 (diagram); average per acre, 1879-1919, 836, **839**; leading states, 707, 836 (diagram); per cent distribution by states, 1879-1919, **839**.
value, 701, **838**; 1899-1919, 836; average per acre, 1899-1919, 836; average per bale, **839**; 1899-1919, 836.
See also Cotton (including cottonseed).
Cotton (including cottonseed), value, 701, **715, 838**; 1899-1919, 836; average per acre, 702; 1899-1919, 836; per cent of total value of all crops, 702, **717**; 1899-1919, 836; in table for leading crops in each state, 706.
See also Cotton; Cottonseed.
- Cottonseed, production (estimated), 701, **838**; 1899-1919, 836; leading states, 707.
value (estimated), 701, **838**; 1899-1919, 836; average per ton, **839**.
- Cranberries, acreage and production, 701; 1899-1919, 851, **857**; farms reporting, 851, **857**; leading states, 707; value, 701, 851, **857**.
- Cream sold by farmers, farms reporting, 654, **666**.
quantity, 649, 654, 656, **666**; 1899-1919, 650, **668**; per cent distribution by states, 1899-1919, 670.
value, 649, 654, **665**; 1899-1919, 650; average per gallon, 654.
- Croppers (1920 only), definition, 121, 127, 187, 192; number, 127, **148-152**; per cent of all farmers in the South, 127; per cent of all share tenants in the South, 127.
by color, number, 192, 193, **214-223**; per cent of all farmers in the South, 193; per cent of all tenants in the South, 192.
by number of years on farm and color, number, 406, **425-432**; per cent distribution by number of years on farm, 406, **451-456**.
See also Farm property, value, by tenure (detailed classification); Land in farms, acreage, by tenure (detailed classification); etc.
- Crops (all), value, 18, 699, 699 (diagram), 700, 710, 714; average per farm, 711, 711 (diagram); percentage represented by principal crops, 702.
Crops with acreage reports, acreage, 700, 710, 712, 713; per cent of total improved acreage, 701.
value, 700, 710; average per acre, 702, 702 (diagram), 711; per cent of total value of all crops, 702.
Crops with no acreage reports, value, 700; per cent of total value of all crops, 702.
Crops hogged off (1919 only), acreage and farms reporting, 791.
Crops, net increase in production and increase in price level, 1909 to 1919, 703.
Cucumbers raised for sale, acreage and farms reporting, **825**; 1899-1919, 820; value, 820, **825**.
- Currants, acreage and production, 701; 1899-1919, 851, **858**; farms reporting, 851, **858**; leading states, 707; value, 701, 851, **858**.
- Dairy cattle on farms, comparability of statistics, 522, 550.
explanatory text, 551.
farms reporting, 633; by age and sex, 551, **560-564**.
number, 633; by age and sex, 551, **560-564, 566-567, 614**; per cent distribution by states, 571; per cent of all cattle on farms, 570.
value, **568**; by age and sex, 551, **560-564**; average per head, 551, **560-564, 569**.
See also Dairy cows on farms.
- Dairy cattle not on farms, by age and sex (1920 only), inclosures reporting, 619; number, 614, 619.
Dairy cattle on farms and not on farms, by age and sex (1920 only), number, 614, 631.
Dairy cows on farms, definition, 553, 652.
comparability of statistics, 553, 652.
farms reporting, 551, **565, 654, 657**.
number, 551, 554 (dot map), 654, **657**; 1850-1920, 553, **573**; average per farm reporting, 551, **565**; average per 1,000 acres of all land in farms, 551; average per 1,000 acres of improved land in farms, 551; per cent distribution by states, 1850-1920, **573**.
number, by color and tenure, 197, **274-281**.
number, by size of farm, 70, **107-112**.
number, by tenure, 131, **177-180**.
value, 551, **568**; average per head, 551.
value, by color and tenure, 197.
value, by size of farm, 70.
value, by tenure, 131.
- Dairy cows not on farms, inclosures reporting, 614, **616, 619**; in cities of 25,000 inhabitants or more, 621-627.
number, 616, 619; 1900-1920, 614; in cities of 25,000 inhabitants or more, 621-627; per cent of all dairy cows, 628.
Dairy cows on farms and not on farms, see Dairy cattle on farms and not on farms.

[**Bold-faced figures indicate pages on which information is given by divisions and states.**]

- Dairy products of farms, explanatory text, 652.
value, 649, 651, 654; per cent distribution by states, 670.
See also Butter made on farms; Milk produced on farms; etc.
- Dairy products sold by farmers, value, 653 (dot map), 665. *See also* Butter sold by farmers; Butter fat sold by farmers; etc.
- Dates, production, 874; leading states, 707.
trees, 874; farms reporting, 874.
value, 874.
- Decrease in number and acreage of farms, 12, 29; extracts from correspondence relating to, 917-921.
- Dewberries, *see* Blackberries and dewberries.
- Domestic animals on farms; explanatory text, 519.
farms reporting, 522, 523-529, 633, 635.
number (of each kind), 522, 530; average per farm reporting, 522.
number, by color and tenure, 197, 274-281.

[**Bold-faced figures indicate pages on which information is given by divisions and states.**]

- Flower and vegetable seeds, value, 700; 1899-1919, 786, 787; leading states, 707.
- Forage crops, *see* Corn cut for forage; Hay (all kinds); Root crops for forage; Silage and miscellaneous forage crops.
- Foreign-born white farmers, number, 293, 299; per cent of all farmers, 294 (diagram); per cent of all white farmers, 293.
- by country of birth, number, 314, 314 (diagram), 315, 318-321; per cent distribution, 315.
- by country of birth and tenure, number, 315, 322-329; per cent distribution by tenure, 317.
- by tenure, number, 295, 301; per cent distribution, 295, 303; per cent of all farmers, 295, 302.
- Forest products of farms, definition, 881.
- farms reporting, 881, 882, 883.
- farms reporting products sold, 881, 883; per cent of all farms reporting forest products, 881.
- farms reporting products used, 881, 883; per cent of all farms reporting forest products, 881.
- value, 18, 883; 1899-1919, 881, 882; average per farm reporting, 881, 882.
- value of products sold, 881, 883; average per farm reporting, 881; per cent of value of all forest products, 881.
- value of products used, 881, 883; average per farm reporting, 881; per cent of value of all forest products, 881.
- Fowls raised on farms, number, 1909, 677, 682; 1879-1909, 650; value, 1909, 677, 682; 1899-1919, 650. *See also* Chickens raised on farms.
- Fowls sold by farmers (1909 only), farms reporting, 677, 684.
- number, 650, 677, 678, 684.
- value, 650, 677, 684; average per fowl, 684. *See also* Chickens sold by farmers.
- Fruits, *see* Citrus fruits; Grapes; Orchard fruits; Small fruits; etc.
- Full owners, definition, 121, 187; number, 122, 127 (for the South), 148-152; 1900-1920, 124, 133-142; per cent distribution by states, 488; per cent of all farmers, 123, 127 (for the South); 1900-1920, 124, 133-142; per cent of all owners, 124.
- by color, number, 189, 193 (for the South), 214-223; 1900-1920, 198-202; per cent of all farmers, 189, 193 (for the South); per cent of all owners, 189.
- by number of years on farm and color, number, 404-405, 407-424; per cent distribution by number of years on farm, 405, 433-441; per cent of all farmers, 405, 442-450.
- mortgaged and free, by age and color, number, 350, 352 (for the South), 355-374; per cent distribution by age, 351, 353 (for the South), 375-384; per cent of all farmers, 351, 353 (for the South), 385-394.
- See also* Farm property, value, by tenure; Land in farms, acreage, by tenure; Mortgage debt; Mortgaged farms.
- Gas or electric light in farm homes (1920 only), farms reporting, 512, 514.
- Geese on farms, farms reporting, 599, 602-606; per cent of all farms, 599, 600, 602-606.
- number, 601, 602-606; 1890-1920, 599, 611; average per farm reporting, 599, 608; average per 1,000 acres of land in farms, 599; leading states, 600; per cent distribution by states, 608.
- value, 599, 602-606; average per fowl, 599, 602-606, 609.
- Ginseng, acreage, production, and value, 851; leading states, 707.
- Goats on farms, comparability of statistics, 522, 574.
- farms reporting, 522, 523-529, 575, 582; by classes, 575, 576-580.
- number, 522, 530, 575; 1900-1920, 575, 583; by classes, 574, 575, 576-580, 581, 614, 672; average per farm reporting, 522, 575, 582; average per 1,000 acres of all land in farms, 575; leading states, 575; per cent distribution by classes, 585; per cent distribution of classes by states, 585; per cent distribution by states, 1900-1920, 583.
- number, by color and tenure, 197.
- number, by size of farm, 70.
- number, by tenure, 131.
- value, 522, 523-529, 575, 583; by classes, 575, 576-580; average per head, 522, 575; by classes, 575, 576-580, 584; per cent of total value of all domestic animals, 522, 523-529; per cent of total value of all live stock, 519.
- value, by color and tenure, 197.
- value, by size of farm, 70.
- value, by tenure, 131.
- Goats not on farms, inclosures reporting, 614, 617; in cities of 25,000 inhabitants or more, 621-627.
- number, 617; 1900-1920, 614; by classes, 614, 620; in cities of 25,000 inhabitants or more, 621-627; per cent of all goats, 628.
- Goats on farms and not on farms, number, 629; by classes, 614, 632.
- Goats shorn on farms (1919 only), number, 672, 675. *See also* Mohair produced on farms.
- Gooseberries, 851. *See also* Berries, "other."
- Grains (small) cut for hay (1919 only), acreage and farms reporting, 792, 796-807.
- production, 792, 796-807; average per acre, 792, 796-807.
- value, 792, 796-807; average per ton, 792, 796-807.
- See also* Grains (small) and annual legumes cut for hay.
- Grains (small) and annual legumes cut for hay, acreage, 792, 796-807.
- farms reporting, 1909, 792, 796-807.
- production, 792, 796-807; average per acre, 792, 796-807.
- value, 792, 796-807; average per ton, 792, 796-807.
- Grape juice (1919 only), farms reporting and production, 861, 871. *See also* Wine and grape juice.
- Grapefruit (pomeloes), production, 701; 1899-1919, 872; leading states, 707.
- trees, 872; farms reporting, 872.
- value, 701, 872; in table for leading crops in each state, 706.
- Grapes, production, 701; 1899-1919, 861, 869; leading states, 707.
- value, 701, 869; 1899-1919, 861; per cent of total value of all crops, 702; in table for leading crops in each state, 706.
- vines, 861, 869; farms reporting, 861, 869.
- Grass seed, farms reporting, 786, 788; leading states, 708-709; production and value, 700, 788; 1899-1919, 786.
- Grass seed and clover seed (all), production and value, 1899-1919, 786, 787.
- Grasses, "other tame," acreage and farms reporting, 792, 796-807.
- production, 792, 796-807; average per acre, 792, 796-807.
- value, 792, 796-807; average per ton, 792, 796-807.
- Grasses, wild, salt, or prairie, acreage and farms reporting, 792, 796-807.
- production, 792, 796-807; average per acre, 792, 796-807.
- value, 792, 796-807; average per ton, 792, 796-807.
- Greenhouses and greenhouse products, explanatory text, 886.
- farms or establishments reporting, 886, 887, 888.
- receipts from sale of products, 886, 887, 888; average per farm or establishment, 886, 887.
- receipts from sale of flowers and flowering plants, 886, 887, 888.
- receipts from sale of vegetables and vegetable plants, 886, 887, 888.
- square feet under glass, 886, 887, 888.
- Guavas, production, 1899-1919, 873; leading states, 707.
- trees, 873; farms reporting, 873.
- value, 873.
- Guinea fowls on farms, farms reporting, 599, 602-606; per cent of all farms, 599, 600, 602-606.
- number, 599, 601, 602-606; average per farm reporting, 599; average per 1,000 acres of land in farms, 599; per cent distribution by states, 608.
- value, 599, 602-606; average per fowl, 599, 602-606, 609.
- Gumbo, *see* Okra.
- Hay (all kinds), acreage, 808; 1879-1919, 793, 809; acreage of each kind, 792, 796-807; per cent distribution by states, 810; per cent of total crop acreage, 1899-1919, 793; per cent of total improved acreage, 1879-1919, 793, 810.
- exports (quantity and value), 705.
- production, 718, 722, 808; 1879-1919, 809; 1849-1919, 793; production of each kind, 792, 796-807; average per acre, 792, 796-807; 1879-1919, 793, 810; per cent distribution by states, 1879-1919, 810.
- sales—quantity, 718, 722; value, 718, 723.
- value, 793, 808; value of each kind, 792, 796-807; average per acre, 793; average per ton, 792, 793, 796-807, 810; per cent of total value of all crops, 793.
- Hay, cultivated, acreage, 792, 796-807.
- production, 792, 796-807; average per acre, 792, 796-807.
- value, 792, 796-807; average per ton, 792, 796-807.
- Hay, wild, acreage and farms reporting, 792, 796-807.
- production, 792, 796-807; average per acre, 792, 796-807.
- value, 792, 796-807; average per ton, 792, 796-807.
- Hay and forage, explanatory text, 791.
- acreage, 700, 713, 791; 1899-1919, 792, 794-795; acreage of each kind, 792, 796-807; average per farm reporting, 1899-1919, 792; leading states, 792; per cent distribution by states, 795; per cent of total crop acreage, 701; 1899-1919, 792; per cent of total improved acreage, 701, 716; 1899-1919, 792, 795; 1879-1919, 702.
- farms reporting, 1899-1919, 792, 794-795; farms reporting each kind, 792, 796-807.
- production, 700; 1899-1919, 792, 794-795; production of each kind, 792, 796-807; average per acre, 796-807; 1899-1919, 792; leading states, 707, 792; per cent distribution by states, 1899-1919, 795.

[**Bold-faced figures indicate pages on which information is given by divisions and states.**]

- Hay and forage—Continued.
value, 700, 715; 1899-1919, 792, 794-795; value of each kind, 792, 796-807; average per acre, 702; 1899-1919, 792; average per ton, 792, 796-807; 1899-1919, 792; per cent of total value of all crops, 702, 717; 1899-1919, 792; in table for leading crops in each state, 705-706.
- Hemp, acreage, 1889-1919, 849; farms reporting and value, 849; leading states, 708; production, 1879-1919, 849.
- Hemp seed, acreage, farms reporting, production, and value, 790; leading states, 708.
- Hogs, *see* Swine.
- Honey produced on farms, explanatory text, 686.
farms reporting, 686, 687.
quantity, 649, 686, 687; 1849-1919, 650, 689; per cent distribution by states, 1879-1919, 688.
value, 649, 686, 687; 1899-1919, 650; average per pound, 638.
- Honey and wax produced on farms, value, 649, 661. *See also* Beeswax produced on farms; Honey produced on farms.
- Hops, acreage and production, 701; 1879-1919, 850; farms reporting, 850; leading states, 708; value, 701, 850.
- Horse beans, acreage, farms reporting, production, and value, 777; leading states, 708.
- Horse-radish raised for sale, acreage, farms reporting, and value, 820, 826.
- Horses on farms, comparability of statistics, 522, 531, 532.
farms reporting, 522, 523-529, 532, 542, 633, 636; by age and sex, 533, 534-538. number, 522, 530, 532, 633, 636; 1850-1920, 533, 547; by age and sex, 531, 533, 534-538, 540-541, 614; average per farm reporting, 522, 532, 542; average per 1,000 acres of all land in farms, 532; average per 1,000 acres of improved land in farms, 532; leading states, 533; per cent distribution by age, 545; per cent distribution of age groups by states, 545; per cent distribution by states, 1880-1920, 549.
number, by color and tenure, 197, 274-281.
number, by size of farm, 70, 107-112.
number, by tenure, 131, 177-180.
value, 522, 523-529, 532, 543; by age and sex, 533, 534-538; average per head, 522, 532; by age, 544; by age and sex, 533, 534-538; per cent of total value of all live stock, 519; per cent of total value of domestic animals, 522, 523-529.
value, by color and tenure, 197, 282-289.
value, by size of farm, 70, 113-118.
value, by tenure, 131, 181-184.
- Horses, pure-bred (1920 only), explanatory text, 633.
farms reporting, 633, 636; by breed and sex, 633; per cent of all farms reporting horses, 636.
number, 633, 636; by breed and sex, 633, 637-638; by sex, 633, 636; per cent of all horses, 633, 636.
- Horses not on farms, inclosures reporting, 614, 615; in cities of 25,000 inhabitants or more, 621-627.
number, 615; 1900-1920, 614; by age and sex, 614, 618; in cities of 25,000 inhabitants or more, 621-627; per cent of all horses, 628.
- Horses on farms and not on farms, number, 629; by age and sex, 614, 630.
- Horses, mules, and asses and burros on farms, number, 532, 533, 539, 540-541; 1850-1920, 533, 546; average per farm, based on all farms, 542; average per 1,000 acres of all land in farms, 532, 542; average per 1,000 acres of improved land in farms, 532, 542; leading states, 533; per cent distribution by states, 545; 1880-1920, 549.
value, 532, 533, 539, 543; average per head, 532, 533, 539.

gram); 1879-1919, 732, 752; aver-
age per acre, 1879-1919, 749, 763;
leading states, 708, 749, 749 (diagram);
per cent distribution by states,
1879-1919, 753.
sales—farms reporting and quantity,
718, 720; value, 718, 723.
value, 700, 714, 732, 751; 1899-1919,
732, 749; average per acre, 702; 1899-
1919, 749; average per bushel, 753;
1899-1919, 749; per cent of total value
of all crops, 702, 717; 1899-1919, 749;
in table for leading crops in each
state, 706.

Okra raised for sale, acreage, farms reporting,
and value, 820, 827.

Olives, production, 1899-1919, 873; leading
states, 708.
trees, 873; farms reporting, 873.
value, 873.

Onions (dry) raised for sale, acreage and
farms reporting, 827; 1899-1919, 820;
value, 820, 827.

Onions (green) raised for sale, acreage,
farms reporting, and value, 820, 827.

Oranges, production, 701; 1899-1919, 872;
leading states, 708.

trees, 872; farms reporting, 872.
value, 701, 872; in table for leading
crops in each state, 706.

Orchard fruits (all), production, 701; 1899-
1919, 860, 862.

trees, 860, 862; farms reporting, 860, 862.
value, 701, 860, 862; per cent of total
value of all crops, 702.

See also Apples; Cherries; Peaches; etc.
Orchard fruits, "other," production, 701;
1899-1919, 860.

trees, 860; farms reporting, 860.
value, 701, 860.

Ostriches on farms, farms reporting, 599, 607.
number, 607; 1900-1920, 599; average
per farm reporting, 599.
value, 599, 607; average per fowl, 599.

Owners, definition, 121, 187; number, 122,
127 (for the South), 132, 148-152;
1880-1920, 124, 133-142; per cent distri-
bution by states, 488; per cent of
all farmers, 122, 123, 123 (diagram),
127 (for the South), 132; 1880-1920,
124, 128 (diagram), 133-142.

by age, number, 354 (diagram); 1890-
1920, 354, 395-402; per cent distribu-
tion, 1890-1920, 354, 395-402; per
cent of all farmers, 1890-1920, 354.

by age and color, number, 350, 351
(diagrams for the South), 352 (for the
South), 355-374; per cent distribu-
tion by age, 351, 353 (for the South),
375-384; per cent of all farmers, 351,
353 (for the South), 385-394.

by color, number, 189, 193 (for the
South), 214-223, 295, 293; 1900-1920,
191, 194 (for the South), 198-202; per
cent distribution, 295; per cent of
all farmers, 187, 188 (diagrams), 189,
192 (diagrams for the South), 193 (for
the South), 295; 1900-1920, 191, 194
(for the South), 203.

by color and nativity, number, 295,
300-301; per cent distribution, 295,
302; per cent of all farmers, 295, 303.

by country of birth (white only), num-
ber, 315, 322-329; per cent of all
farmers, 317.

Owners—Continued.

by farm experience, number, 457, 459,
460-468, 469-476; average age, 457,
459, 469-476; average farm experience,
459, 469-476; average time as owner,
457, 459.

by number of years on farm and color,
number, 404-405, 407-424; per cent
distribution by number of years on
farm, 405, 433-441; per cent of all
farmers, 405, 442-450.

by race (colored only), number, 298,
311-312.

by sex, number, 340, 341; per cent dis-
tribution, 340, 345.

See also Full owners (owning entire
farm); Part owners (hiring additional
land); Farm property, value, by
tenure; Land in farms, acreage, by
tenure; Mortgaged farms; etc.

Oyster plant, see Salsify raised for sale.

Parsley raised for sale, acreage, farms report-
ing, and value, 820, 828.

Parsnips raised for sale, acreage and farms
reporting, 828; 1899-1919, 820; value, 820,
828.

Part owners, definition, 121, 187; number,
122, 127 (for the South), 148-152;
1900-1920, 124, 133-142; per cent distri-
bution by states, 488; per cent of
all farmers, 123, 127 (for the South);
1900-1920, 124, 133-142; per cent of
all owners, 124.

by age and color, number, 350, 352 (for
the South), 355-374; per cent distribu-
tion by age, 351, 353 (for the
South), 375-384; per cent of all
farmers, 351, 353 (for the South),
385-394.

by color, number, 189, 193 (for the
South), 214-223; 1900-1920, 198-202;
per cent of all farmers, 189, 193 (for
the South); per cent of all owners, 189.

by number of years on farm and color,
number, 404-405, 407-424; per cent
distribution by number of years on
farm, 405, 433-441; per cent of all
farmers, 405, 442-450.

See also Farm property, value, by
tenure; Land in farms, acreage, by
tenure; etc.

Peaches, production, 701; 1899-1919, 860,
864; leading states, 708.
trees, 860, 864; farms reporting, 860, 864.
value, 701, 860, 864.

Peanuts, acreage, 700; 1899-1919, 780, 781;
average per farm reporting, 782; 1899-
1919, 780; per cent distribution by
states, 782; per cent of total crop
acreage, 701; 1899-1919, 780; per cent
of total improved acreage, 701; 1899-
1919, 780, 782.

farms reporting, 781; 1899-1919, 780;
per cent of all farms, 782; 1899-1919,
780.

production, 700; 1899-1919, 780, 781;
average per acre, 1899-1919, 780, 782;
leading states, 708; per cent distribu-
tion by states, 1899-1919, 782.

value, 700, 781; 1899-1919, 780; average
per acre, 702; 1899-1919, 780; average
per bushel, 782; 1899-1919, 780; per
cent of total value of all crops, 702;
1899-1919, 780.

Pears, production, 701; 1899-1919, 860, 865;
leading states, 708.

trees, 860, 865; farms reporting, 860, 865.
value, 701, 860, 865.

Peas (dry), acreage, 700; 1899-1919, 777,
778; average per farm reporting, 779;
1899-1919, 777; per cent distribution

by states, 779; per cent of total crop
acreage, 701; 1899-1919, 777; per cent
of total improved acreage, 701; 1899-
1919, 777, 779.

farms reporting, 778; 1899-1919, 777; per
cent of all farms, 779; 1899-1919, 777.
production, 700; 1899-1919, 777, 778;
average per acre, 1899-1919, 777, 779;
leading states, 708; per cent distribu-
tion by states, 1899-1919, 779.

value, 700, 778; 1899-1919, 777; average
per acre, 702; 1899-1919, 777; average
per bushel, 779; 1899-1919, 777; per
cent of total value of all crops, 702;
1899-1919, 777.

Peas (green) raised for sale, acreage and
farms reporting, 828; 1899-1919, 820;
value, 820, 828.

Pecans, production, 701; 1899-1919, 874,
876; leading states, 708.
trees, 874, 876; farms reporting, 874, 876.
value, 701, 874, 876.

Peppers (green) raised for sale, acreage,
farms reporting, and value, 820, 828.

Persimmons, Japanese, production, 1899-
1919, 874; leading states, 708.
trees, 874; farms reporting, 874.
value, 874.

Pieplant, see Rhubarb raised for sale.

Pigeons on farms, farms reporting, 599,
602-606; per cent of all farms, 599,
600, 602-606.

number, 599, 601, 602-606; average per
farm reporting, 599; average per 1,000
acres of land in farms, 599; per cent
distribution by states, 608.

value, 599, 602-606; average value, 599,
602-606, 609.

Pigs, see Swine on farms; Swine not on
farms; Pigs raised on farms.

Pigs raised on farms (1919 only), explanatory
text, 690.

farms reporting, 691, 692.
number, 690, 690 (diagram), 691, 692;
average per farm, 691, 692; comparison
with number of all swine on farms,
690.

Pineapples, production, 1899-1919, 873;
leading states, 708.

plants, 873; farms reporting, 873.
value, 873.

Plums and prunes, production, 701; 1899-
1919, 860, 866; leading states, 708.

trees, 860, 866; farms reporting, 860, 866.
value, 701, 860, 866.

Pomegranates, production, 874; leading
states, 708.

trees, 874; farms reporting, 874.
value, 874.

Pomeloes, see Grapefruit.

Popcorn raised for sale, acreage, farms re-
porting, and value, 820, 825.

Population, farm, definition, 891; number,
892, 894; per cent of total population, 892,
894; number, by age, 893, 898; by color,
893; by race, nativity, and parentage, 893,
896; by sex, 892, 895; white, by nativity,
893, 896; colored, by race, 893, 896.

Population, rural, definition, 23; number,
23, 24, 34, 892, 894; per cent of total
population, 23, 24, 34, 892, 894; number,
by age, 893, 899; by color, 893; by color
and nativity, 897; by race, nativity, and
parentage, 893; by sex, 892, 896; white, by
nativity, 893; colored, by race, 893.

Population, total, number, 23, 24, 34, 892,
894; 1850-1920, 32, 33-43; per 1,000 acres
of improved farm land, 1850-1920, 33; by
age, 893, 898; by color, 893; by color and
nativity, 896; by race, nativity, and
parentage, 893; by sex, 892, 895; white, by
nativity, 893; colored, by race, 893.

[**Bold-faced figures indicate pages on which information is given by divisions and states.**]

- Population, urban, number, 24, 892, **894**; per cent of total population, 892, **894**; by age, **893, 896**; by color, **893**; by color and nativity, **897**; by race, nativity, and parentage, **893**; by sex, **892, 895**; white, by nativity, **893**; colored, by race, **893**.
- Potatoes, acreage, 700, **713, 812**; 1889-1919, **811, 813**; average per farm reporting, **813**; 1899-1919, **811**; leading states, **811**; per cent distribution by states, **814**; 1899-1919, **811**; per cent of total crop acreage, 701; 1899-1919, **811**; per cent of total improved acreage, 701, **718**; 1889-1919, 702, **811, 814**. farms reporting, **718, 724, 812**; 1899-1919, **811**; per cent of all farms, **814**; 1899-1919, **811**. production, 700, **718, 724, 812**; 1879-1919, **813**; 1849-1919, **811**; average per acre, 1889-1919, **811, 814**; leading states, 709, **811, 811** (diagram); per capita, 1889-1919, **811**; per cent distribution by states, 1879-1919, **814**. sales (farms reporting, quantity, and value), **718, 724**. value, 700, **715, 718, 724, 812**; 1899-1919, **811**; average per acre, 702; 1899-1919, **811**; average per bushel, **814**; 1899-1919, **811**; per cent of total value of all crops, 702, **717**; 1899-1919, **811**; in table for leading crops in each state, 705-706.
- Poultry on farms, comparability of statistics, 599. farms reporting, 607; by classes, 599, 602-606. number, 607; 1890-1920, 600; by classes, 601, 602-606; 1890-1920, 599; average per farm reporting, by classes, 599, 608; average per 1,000 acres of all land in farms, 599; leading states, 600; per cent distribution by states, 608. value, 519, 520, 600, 607; by classes, 599, 602-606; average per fowl, 607; by classes, 599, 602-606, 609; per cent of total value of all live stock, 519. See also Chickens on farms; Ducks on farms; etc.

Urban population, see Population, urban.

Value of farm products, 17, 18.

Value of farm property, see Farm property, value.

Vegetable seeds, see Flower and vegetable seeds.

Vegetables (all), acreage, 700; per cent of total crop acreage, 701; per cent of total improved acreage, 701.

value, 700.

See also Asparagus; Celery; Potatoes; etc.

Vegetables, miscellaneous, acreage, 1899 and 1909, 819; farms reporting, 1899-1919, 821; value, 819 (diagram); 1899-1919, 819.

Vegetables raised for home use, see Farm gardens.

Vegetables raised for sale, acreage, 1899 and 1919, 819, 820, 822; average per farm reporting, 1899 and 1919, 822.

farms reporting, 1899 and 1919, 819, 820, 821.

value, 1899 and 1919, 819, 820, 822; average per acre, 1899 and 1919, 822; leading states, 819.

Velvet beans (1919 only), explanatory text, 790; acreage and farms reporting, 791.

Vinegar, farms reporting, 1909, 861, 870; production, 1909 and 1899, 861, 870. See also Cider made (or to be made) into vinegar.

Walnuts (Persian or English), production, 701; 1899-1919, 874, 877; leading states, 709.

trees, 874, 877; farms reporting, 874, 877.

value, 701, 874, 877.

Water piped into farm homes (1920 only), farms reporting, 512, 514.

Watermelons raised for sale, acreage and farms reporting, 831; 1899-1919, 820; value, 820, 831.

Wax, see Beeswax produced on farms.

Wheat, acreage, 700, 712, 732, 742, 744; 1879-1919, 732, 741, 745; average per farm reporting, 745; 1899-1919, 741; leading states, 741; per cent distribution by states, 746; per cent of total crop acreage, 701; 1899-1919, 741; per cent of total improved acreage, 701, 716; 1879-1919, 702, 741, 746.

exports (quantity and value), 705.

farms reporting, 732, 742, 744; 1899-1919, 741; per cent of all farms, 746; 1899-1919, 741.

production, 700, 732, 742, 743 (map), 744; 1879-1919, 732, 745; 1849-1919, 741, 742 (diagram); average per acre, 1879-1919, 741, 746; leading states, 709, 741, 742 (diagram); per capita, 1859-1919, 741; per cent distribution by states, 1879-1919, 746.

value, 700, 714, 732, 742, 744; 1899-1919, 732, 741; average per acre, 702; 1899-1919, 741; average per bushel, 746; 1899-1919, 741; per cent of total value of all crops, 702, 717; 1899-1919, 741; in table for leading crops in each state, 705-706.

See also Wheat, spring; Wheat, winter.

Wheat, spring, acreage, 742, 748; per cent of total wheat acreage, 742.

farms reporting, 742, 748.

production, 742, 748; per cent of total wheat production, 742.

value, 742, 748; per cent of total value of wheat, 742.

Wheat, winter, acreage, 742, 747; per cent of total wheat acreage, 742.

farms reporting, 742, 747.

production, 742, 747; per cent of total wheat production, 742.

value, 742, 747; per cent of total value of wheat, 742.

White farmers, number, 315, 318-321; 1900-1920, 293, 299; per cent of all farmers, 294 (diagram), 298; 1900-1920, 293; per cent operating tenant farms, 190 (map).

by age, number, 349; per cent distribution, 349.

by age and tenure, number, 350, 352 (for the South), 355-374; per cent distribution of age groups by tenure, 351, 353 (for the South), 385-394; per cent distribution of tenure classes by age, 351, 353 (for the South), 375-384.

by nativity, number, 299.

by nativity and tenure, number, 295; per cent distribution by tenure, 295; per cent of all farmers, 295.

by number of years on farm, number, 404; per cent distribution, 404.

by number of years on farm and tenure, number, 404, 407-424; per cent distribution of occupancy groups by tenure, 405, 442-450; per cent distribution of tenure classes by number of years on farm, 405, 433-441.

[**Bold-faced figures indicate pages on which information is given by divisions and states.**]

- White farmers—Continued.
