

CHAPTER VII.—FAMILIES

(For data on Minor Races see Chapter X, tables 160 to 165)

NOTE: Farm homes are not tabulated according to value or rental; farm families, however, are tabulated as "owner" or "tenant." Since the numbers of homes and families are identical, the two classifications of "value or rental" and "owner or tenant" have been combined in several tables in order to show data for both farm and nonfarm families.
