

INDEX

[Volume IV gives detailed occupation statistics for each State, in a series of standard tables numbered from 1 to 25. Occasional references are made in this index to these standard tables for State or city statistics not presented in Volume V]

- Additional statistics in Vols. III and IV, reference to, 3.
- Age classification, in marital condition statistics, 271; of child workers, 343; of total gainful workers, 113.
- Age distribution of total population and of population 10 years old and over, *see* Population.
- Age of gainful workers: Age classification, 113; proportion gainfully occupied, by age, 113.
- Number and proportion of population gainfully occupied—
by age and sex, United States (1910-1930), 114, 115; States, 216; cities of 100,000 or more, 240.
by age, sex, color, and nativity, United States, 117.
- Number gainfully occupied—
by age and sex, United States (1910-1930), 114, 115; States, 216; cities of 100,000 or more, 240; cities of 25,000 to 100,000, 260.
by age, sex, and general divisions of occupations, United States, 116.
by age, sex, and occupation, United States, all population classes, 118; native whites, 138; foreign-born whites, 160; Negroes, 178; Mexicans, 196; Indians, 202; Chinese, 206; Japanese, 210; Filipinos, 213.
by age, sex, color, and nativity, United States, 117; States, 228, 236; cities of 100,000 or more, 246.
by sex, occupation, and age, States and cities of 100,000 or more, *see* Vol. IV, Tables 11 and 12.
- Per cent distribution of gainful workers—
by sex, age, and general divisions of occupations, United States, 117.
by sex and age, United States (1910-1930), 115; States and cities of 100,000 or more, *see* Vol. IV, Table 8.
- Apprentices, 343.
- Area of enumeration, 3.
- Children in gainful occupations: Age classification, 343; apprentices, 343; children returned as farm laborers, 343; "gainful workers," as applied to children, defined, 343; unusual occupations for children, 343; decrease in number occupied, 1920 to 1930 and 1910 to 1920, 344.
- Number and proportion gainfully occupied—
by sex, United States (1880-1930), 345; States (1900-1930), 381; cities of 100,000 or more (1900-1930), 389; cities of 25,000 or more (1930), 400.
by sex and age, United States (1930, 1920), 345; States and cities of 100,000 or more, *see* Vol. IV, Table 20.
by sex, color, and nativity, United States (1930, 1920), 347; States, 388; cities of 100,000 or more, 398.
by sex, color, nativity, and age, United States (1930, 1920), 347.
- Number and proportion in agricultural pursuits, and in nonagricultural pursuits, United States (1900-1930), 346; States, 388.
- Children in gainful occupations—Contd.
Number and proportion of Mexican, Indian, Chinese, Japanese, and Filipino children occupied, by sex, United States, 347.
- Number gainfully occupied—
by industry and sex, United States, 408.
by industry, sex, and occupation, United States, 412.
by sex, age, and general divisions of occupations, United States, 345; States and cities of 100,000 or more, *see* Vol. IV, Tables 23 and 24.
by sex and general divisions of occupations, States, 387; cities of 100,000 or more, 399.
by sex and occupation, United States (1930, 1920), 349.
by sex and occupation, United States, all minor population classes, Mexicans, Indians, Chinese, Japanese, and Filipinos, 379.
by sex, age, and occupation, United States, all population classes, 352; native whites, 358; foreign-born whites, 364; Negroes, 369; other races, 374; States and cities of 100,000 or more, *see* Vol. IV, Tables 23 and 24.
by sex, color, nativity, and age, United States (1930, 1920), 347; States, 382; cities of 100,000 or more, 390.
by sex, color, nativity, and general divisions of occupations, United States (1930, 1920), 348.
- Per cent children were of total workers, by sex and general divisions of occupations, United States (1910-1930), 346.
- Per cent distribution of gainfully occupied children by sex and age, United States (1930, 1920), 345; States and cities of 100,000 or more, *see* Vol. IV, Table 20.
- Per cent of children gainfully occupied, by sex, and age (1930, 1920), States, 385; cities of 100,000 or more, 397. *See also* Vol. IV, Tables 19 to 21.
- Children returned as farm laborers, 343.
- Chinese children in gainful occupations: Number and proportion gainfully occupied—
by sex, United States, 347.
- Number gainfully occupied—
by occupation and sex, United States, 379.
by sex, States, 236.
- Chinese in gainful occupations: Number and proportion gainfully occupied—
by sex, United States (1910-1930), 74; States, 104.
- Number gainfully occupied—
by age and sex, United States, 206; States, 236.
by geographic divisions, 100.
by occupation and sex, United States and selected States, 95.
by occupation, sex, and age, United States, 206.
- Chinese in gainful occupations—Contd.
Number gainfully occupied—Contd.
by sex and age, United States, 206; States, 236.
- Per cent Chinese were of—
population 10 years old and over and of total workers in each geographic division, 100.
total workers, by sex, United States (1910-1930), 74.
- Cities, statistics for, *see* Age of gainful workers, Children in gainful occupations, etc.
- Classification of occupation returns in 1930, 6; of workers in each industry, by sex, color, nativity, and age, 408; of workers in each industry, by occupation, sex, color, nativity, and age, 412.
- Classification of occupations in 1930: Index of occupations, 5; occupation coding, 6; occupations classified with difficulty, 6.
- Classifications of occupations, form of, *see* Occupation classifications.
- Color and nativity of gainful workers: Color and nativity classes distinguished, 73.
- Number and proportion of population gainfully occupied—
by color, nativity, and sex, United States (1910-1930), 74; States, 101-103; cities of 100,000 or more, 107, 108.
- Number gainfully occupied—
by color and nativity, geographic divisions, 100.
by color, nativity, and sex, United States (1910-1930), 74; States, 101-103; cities of 100,000 or more, 107, 108; cities of 25,000 to 100,000, 109.
by color, nativity, sex, and general divisions of occupations, United States (1910-1930), 74.
by color, nativity, sex, and occupation—United States, all population classes, native whites, foreign-born whites, Negroes, and other races, 76; United States and selected States, Mexicans, 87; Indians, 92; Chinese, 95; Japanese, 95; Filipinos, 98.
by sex, occupation, color and nativity, States and cities of 100,000 or more, *see* Vol. IV, Tables 11 and 12.
- Per cent distribution of gainful workers—
by color and nativity, United States (1910-1930), 74; States, 106; States and cities of 100,000 or more, *see* Vol. IV, Table 6.
by color, nativity, and general divisions of occupations, United States (1910-1930), 74.
- See also*, Age of gainful workers.
- Comparison of occupation classifications of 1930, 1920, and 1910, 10.
- Decrease in number of children gainfully occupied, 344.
- Enumeration of occupations in 1930: Area of enumeration, 3; instructions to enumerators (1870-1930), 23; occupation returns (1930), 3; scope of occupation statistics, 3.

- Filipino children in gainful occupations:
 Number and proportion gainfully occupied—
 by sex, United States, 347.
 Number gainfully occupied—
 by occupation and sex, United States, 379.
- Filipinos in gainful occupations:
 Number and proportion gainfully occupied—
 by sex, United States, 74.
 Number gainfully occupied—
 by age and sex, United States, 213.
 by occupation and sex, United States and selected States, 98.
 by occupation, sex, and age, United States, 213.
 by sex and age, United States, 213.
 Per cent Filipinos were of—
 total workers, by sex, United States, 74.
- Foreign-born white children in gainful occupations:
 Number and proportion gainfully occupied—
 by sex and age, United States (1930, 1920), 347.
 by sex, States, 386; cities of 100,000 or more, 398.
 Number gainfully occupied—
 by age and sex, United States (1930, 1920), 347; States, 382; cities of 100,000 or more, 390.
 by general divisions of occupations and sex, United States (1930, 1920), 348.
 by occupation, sex, and age, United States, 364.
 by sex, United States (1930, 1920), 347; States, 386; cities of 100,000 or more, 398.
 Per cent distribution—
 by general divisions of occupations, by sex, United States (1930, 1920), 348.
 Per cent foreign-born whites were of total gainfully occupied children in 1930, States and cities of 100,000 or more, *see* Vol. IV, Table 21.
- Foreign-born whites in gainful occupations:
 Number and proportion gainfully occupied—
 by age, for women in each marital class, United States, 274.
 by marital class (for women), States and cities of 100,000 or more, *see* Vol. IV, Table 15.
 by marital class, for women in each age group, United States, 274.
 by sex, United States (1910-1930), 74; States, 101-103; cities of 100,000 or more, 107, 108.
 by sex and age, United States, 117.
 Number gainfully occupied—
 by age and sex, United States, 117; States, 228; cities of 100,000 or more, 246.
 by general divisions of occupations, United States (1910-1930), 74; States and cities of 100,000 or more, *see* Vol. IV, Tables 11 and 12.
 by geographic divisions, 100.
 by industry and sex, United States, 408.
 by industry, sex, and occupation, United States, 412.
 by marital condition and age (for women), United States, 274; States, 325; cities of 100,000 or more, 332.
 by marital condition, age, and occupation (for women), United States, 300.
- Foreign-born whites in gainful occupations—Continued.
 Number gainfully occupied—Contd.
 by occupation and sex, United States, 76; States and cities of 100,000 or more, *see* Vol. IV, Tables 11 and 12.
 by occupation, marital condition, and age (for women), United States, 300.
 by occupation, sex, and age, United States, 160.
 by sex, United States (1910-1930), 74; States, 102-103; cities of 100,000 or more, 107, 108; cities of 25,000 to 100,000, 109.
 by sex and age, United States, 117; States, 228; cities of 100,000 or more, 246.
- Per cent distribution—
 by age, of occupied women in each marital class, United States, 274.
 by age, of all women and of gainfully occupied women in each marital class, United States, 275.
 by general divisions of occupations, by sex, United States (1910-1930), 74.
 by general divisions of occupations, of women in each marital class, United States, 273.
 by marital class, of occupied women in each age group, United States, 274.
- Per cent foreign-born whites were of—
 population 10 years old and over and of total workers in each geographic division, 100.
 total women in gainful occupations, by marital class, States and cities of 100,000 or more, *see* Vol. IV, Table 15.
 total women in population and in gainful occupations, by marital class, United States, 275.
 total workers, by sex, United States (1910-1930), 74; States and cities of 100,000 or more, *see* Vol. IV, table 6.
 total workers, United States and States, 106.
 total workers in each general division of occupations, by sex, United States (1910-1930), 74.
- Form of population schedule, 32.
- Gainful workers: definition, 39; term as applied to children, 343.
 by age, *see* Age of gainful workers.
 by color and nativity, *see* Color and nativity of gainful workers.
 by industry, occupation, sex, color, nativity, and age, *see* Gainful workers in each industry and service group.
 by industry, sex, color, nativity, and age, *see* Gainful workers in each industry and service group.
 by marital condition of females, *see* Marital condition of occupied females.
 by sex and occupation, *see* Sex and occupation of gainful workers.
- Gainful workers in each industry and service group: classification, 406; form of presentation, 407; statistics affected by indefinite returns, 407.
 by sex, color, nativity, and age, United States, 408.
 by occupation, sex, color, nativity, and age, United States, 412.
- Geographic divisions, statistics for, included in tables presenting statistics for States.
- Index of occupations, 5.
- Indian children in gainful occupations:
 Number and proportion gainfully occupied—
 by sex, United States, 347.
 Number gainfully occupied—
 by occupation and sex, United States, 379.
 by sex, States, 236.
- Indians in gainful occupations:
 Number and proportion gainfully occupied—
 by sex, United States (1910-1930), 74; States, 104, 105.
 Number gainfully occupied—
 by age and sex, United States, 202; States, 236.
 by geographic divisions, 100.
 by occupation and sex, United States and selected States, 92.
 by occupation, sex, and age, United States, 202.
 by sex and age, United States, 202; States, 236.
 Per cent Indians were of—
 population 10 years old and over and of total workers in each geographic division, 100.
 total workers, by sex, United States (1910-1930), 74.
- Instructions to census enumerators (1870-1930), 23.
- Japanese children in gainful occupations:
 Number and proportion gainfully occupied—
 by sex, United States, 347.
 Number gainfully occupied—
 by occupation and sex, United States, 379.
 by sex, States, 236.
- Japanese in gainful occupations:
 Number and proportion gainfully occupied—
 by sex, United States (1910-1930), 74; States, 104, 105.
 Number gainfully occupied—
 by age and sex, United States, 210; States, 236.
 by geographic divisions, 100.
 by occupation and sex, United States and selected States, 95.
 by occupation, sex, and age, United States, 210.
 by sex and age, United States, 210; States, 236.
 Per cent Japanese were of—
 population 10 years old and over and of total workers in each geographic division, 100.
 total workers, by sex, United States (1910-1930), 74.
- Marital condition of occupied women:
 age classification, 271; changes in proportion gainfully occupied, 271; scope of statistics, 271.
- Number and proportion of women gainfully occupied—
 by color and nativity for each marital class, States and cities of 100,000 or more, *see* Vol. IV, Table 15.
 by color, nativity, age, and marital condition, United States, 274.
 by marital condition, United States (1890-1930), 272; States, 321; cities of 100,000 or more, 329.
- Number and proportion of occupied women married (1890-1930), United States, 272; States, 322.
- Number and proportion of married women occupied (1890-1930), United States, 272; States, 323; cities of 100,000 or more (1930, 1920), 330.

- Marital condition of occupied women—**
Continued.
- Marital condition of gainfully occupied women, United States (1890-1930), 272; States, 321; cities of 100,000 or more, 329; cities of 25,000 to 100,000, 339.**
- by general divisions of occupations, United States (1930, 1920), 272, 273; States and cities of 100,000 or more, *see* Vol. IV, Tables 17 and 18.
- by color, nativity and age, United States, 274; States, 325; cities of 100,000 or more, 332.
- by occupation, United States (1930, 1920), 276.
- by occupation and age, States and cities of 100,000 or more, *see* Vol. IV, Tables 17 and 18.
- by occupation and age, United States, all population classes, 281; native whites, 291; foreign-born whites, 300; Negroes, 308; other races, 315.
- Per cent distribution of gainfully occupied women—**
- by marital condition, United States (1890-1930), 272; States, *see* Vol. IV, Table 13.
- by marital condition for each general division of occupations, United States (1930, 1920), 272.
- by general divisions of occupations for each marital class, United States (1930, 1920), 272.
- by general divisions of occupations for each marital class in each main population class, United States, 273.
- by age for each marital class in each main population class, United States, 274, 275.
- by color and nativity for each marital class, United States, 275.
- by marital condition for each age group in each main population class, United States, 274.
- by marital condition for each color and nativity class, States and cities of 100,000 or more, *see* Vol. IV, Table 15.
- Per cent of women gainfully occupied—**
- by marital condition, color, nativity, and age, United States, 274.
- by marital condition, color, and nativity, States, 324; cities of 100,000 or more, 331.
- Mexican children in gainful occupations:**
- Number and proportion gainfully occupied—**
- by sex, United States, 347.
- Number gainfully occupied—**
- by occupation and sex, United States, 379.
- by sex, States, 236.
- Mexicans in gainful occupations:**
- Number and proportion gainfully occupied—**by sex, United States, 74; States, 104.
- Number gainfully occupied—**
- by age and sex, United States, 196; States, 236.
- by geographic divisions, 100.
- by occupation and sex, United States and selected States, 86.
- by occupation, sex, and age, United States, 196.
- by sex and age, United States, 196; States, 236.
- Per cent Mexicans were of—**
- population 10 years old and over and of total workers in each geographic division, 100.
- total workers, by sex, United States, 74.
- Native white children in gainful occupations:**
- Number and proportion gainfully occupied—**
- by sex and age, United States (1930, 1920), 347.
- by sex, States, 386; cities of 100,000 or more, 398.
- Number gainfully occupied—**
- by age and sex, United States (1930, 1920), 347; States, 382; cities of 100,000 or more, 390.
- by general divisions of occupations and sex, United States (1930, 1920), 348.
- by occupation, sex, and age, United States, 358.
- by sex, United States (1930, 1920), 347; States, 386; cities of 100,000 or more, 398.
- Per cent distribution—**
- by general divisions of occupations, by sex, United States (1930, 1920), 348.
- Per cent native whites were of total children gainfully occupied in 1930, States and cities of 100,000 or more, *see* Vol. IV, Table 21.**
- Native whites in gainful occupations:**
- Number and proportion gainfully occupied—**
- by age, for women in each marital class, United States, 274.
- by marital class (for women), States and cities of 100,000 or more, *see* Vol. IV, Table 15.
- by marital class, for women in each age group, United States, 274.
- by sex, United States (1910-1930), 74; States, 102-103; cities of 100,000 or more, 107, 108.
- by sex and age, United States, 117.
- Number gainfully occupied—**
- by age and sex, United States, 117; States, 228; cities of 100,000 or more, 246.
- by general divisions of occupations, United States (1910-1930), 74; States and cities of 100,000 or more, *see* Vol. IV, Tables 11 and 12.
- by geographic divisions, 100.
- by industry and sex, United States, 408.
- by industry, sex, and occupation, United States, 412.
- by marital condition and age (for women), United States, 274; States 325; cities of 100,000 or more, 332.
- by marital condition, age, and occupation (for women), United States, 291.
- by occupation and sex, United States, 76; States and cities of 100,000 or more, *see* Vol. IV, Tables 11 and 12.
- by occupation, marital condition, and age (for women), United States, 291.
- by occupation, sex, and age, United States, 138.
- by sex, United States (1910-1930), 74; States, 102, 103; cities of 100,000 or more, 107, 108; cities of 25,000 to 100,000, 109.
- by sex and age, United States, 117; States, 228; cities of 100,000 or more, 246.
- Per cent distribution—**
- by age, of occupied women in each marital class, United States, 274.
- by age, of all women and of occupied women in each marital class, United States, 275.
- Native whites in gainful occupations—**
Continued.
- Per cent distribution—Continued.**
- by general divisions of occupations, by sex, United States (1910-1930), 74.
- by general divisions of occupations, of women in each marital class, United States, 273.
- by marital class, of occupied women in each age group, United States, 274.
- Per cent native whites were of—**
- population 10 years old and of total workers in each geographic division 100.
- total women in gainful occupations, by marital class, States and cities of 100,000 or more, *see* Vol. IV, Table 15.
- total women in population and in gainful occupations, by marital class, United States, 275.
- total workers, by sex, United States (1910-1930), 74; States and cities of 100,000 or more, *see* Vol. IV, Table 6.
- total workers, United States and States, 106.
- total workers in each general division of occupations, by sex, United States (1910-1930), 74.
- Negro children in gainful occupations:**
- Number and proportion gainfully occupied—**
- by sex and age, United States (1930, 1920), 347.
- by sex, States, 386; cities of 100,000 or more, 398.
- Number gainfully occupied—**
- by age and sex, United States (1930, 1920), 347; States, 382; cities of 100,000 or more, 390.
- by general divisions of occupations and sex, United States (1930, 1920), 348.
- by occupation, sex, and age, United States, 369.
- by sex, United States (1930, 1920), 347; States, 386; cities of 100,000 or more, 398.
- Per cent distribution—**
- by general divisions of occupations, by sex, United States (1930, 1920), 348.
- Per cent Negroes were of total children gainfully occupied in 1930, States and cities of 100,000 or more, *see* Vol. IV, Table 21.**
- Negroes in gainful occupations:**
- Number and proportion gainfully occupied—**
- by age, for women in each marital class, United States, 274.
- by marital class (for women), States and cities of 100,000 or more, *see* Vol. IV, Table 15.
- by marital class, for women in each age group, United States, 274.
- by sex, United States (1910-1930), 74; States, 102, 103; cities of 100,000 or more, 107, 108.
- by sex and age, United States, 117.
- Number gainfully occupied—**
- by age and sex, United States, 117; States, 228; cities of 100,000 or more, 246.
- by general divisions of occupations, United States (1910-1930), 74; States and cities of 100,000 or more, *see* Vol. IV, Tables 11 and 12.
- by geographic divisions, 100.
- by industry and sex, United States, 408.

- Negroes in gainful occupations—Contd.
 Number gainfully occupied—Contd.
 by industry, sex, and occupation, United States, 412.
 by marital condition and age (for women), United States, 274; States, 325; cities of 100,000 or more, 332.
 by marital condition, age, and occupation (for women), United States, 308.
 by occupation and sex, United States, 76; States and cities of 100,000 or more, *see* Vol. IV, Tables 11 and 12.
 by occupation, marital condition, and age (for women), United States 308.
 by occupation, sex, and age, United States, 178.
 by sex, United States (1910-1930), 74; States, 102, 103; cities of 100,000 or more, 107, 108; cities of 25,000 to 100,000, 109.
 by sex and age, United States, 117; States, 228; cities of 100,000 or more, 246.
- Per cent distribution—
 by age, of occupied women in each marital class, United States, 274.
 by age, of all women and of occupied women in each marital class, United States, 275.
 by general divisions of occupations, by sex, United States (1910-1930), 74.
 by general divisions of occupations, of women in each marital class, United States, 273.
 by marital class, of occupied women in each age group, United States, 274.
- Per cent Negroes were of—
 population 10 years old and over and of total workers in each geographic division, 100.
 total women in gainful occupations, by marital class, States and cities of 100,000 or more, *see* Vol. IV, Table 15.
 total women in population and in gainful occupations, by marital class, United States, 275.
 total workers, by sex, United States (1910-1930), 74; States and cities of 100,000 or more, *see* Vol. IV, Table 6.
 total workers, United States and States, 106.
 total workers in each general division of occupations, by sex, United States (1910-1930), 74.
- Number and proportion gainfully occupied:
 Children, *see* Children in gainful occupations.
 Married women (1890-1930), United States, 272; States, 323; cities of 100,000 or more (1930, 1920), 330.
 Population 10 years old and over—
 by age, *see* Age of gainful workers.
 by color and nativity, *see* Color and nativity of gainful workers.
 by marital condition (for females), *see* Marital condition of occupied women.
 by sex, *see* Sex and occupation of gainful workers.
 Total population, United States (1870-1930), 37; States (1900-1930), 50 (shows, also, per cent gainfully occupied, 1870-1890).
- Number and proportion of gainfully occupied women married (1890-1930), United States, 272; States, 322.
 Number gainfully occupied, *see* Number and proportion gainfully occupied.
 Occupation classifications of 1930, 1920, and 1910 compared, 10.
 Occupation classifications, prior to 1910, 4; 1910 classification, 4; 1920 classification, 5; 1930 classification, 5.
 Occupation coding, 1930, 6.
 Occupation returns, 1930, 3.
 Occupations classified with difficulty, 6.
 Occupations in each industry presented in five groups, 407.
 Occupations of 1930 census classification, with number of workers in each, by sex, United States (1910-1930), 10, 40; States and cities of 100,000 or more, *see* Vol. IV, Table 4.
- Population:
 Ten years old and over—
 for the United States and geographic divisions, 100.
 by sex, United States (1870-1930), 37; States (1900-1930), 52, 53, (1870-1930), *see* Vol. IV, Table 1; cities of 100,000 or more (1930), 62, (for earlier censuses, *see* Vol. IV, Table 2); cities of 25,000 to 100,000 (1930, 1920), *see* Vol. IV, Table 2.
 by sex and age, United States (1930, 1920), 114; States, 216-227; cities of 100,000 or more, 240-245.
 by sex, color, and nativity, United States (1910-1930), 74; States, 101-105; cities of 100,000 or more, 107, 108.
 by sex, color, nativity, and age, United States, 117.
- Population—Continued.
 Total, United States (1870-1930), 37; States (1900-1930), 50.
 Total, by sex (1870-1930), United States, 37; States, *see* Vol. IV, Table 1.
 Population schedule, form of, 32.
 Proportion gainfully occupied:
 Discussion of changes in—
 children, 344.
 population 10 years old and over, 38.
 women, by marital condition, 271.
 Statistics, *see* Number and proportion gainfully occupied.
- Scope of general occupation statistics, 3; of marital condition statistics, 271.
 Sex and occupation of gainful workers:
 Number and proportion gainfully occupied, 38; "gainful workers" defined, 39; occupation classification, 38.
 Number and proportion of population gainfully occupied—
 by sex, United States (1870-1930), 37; States (1900-1930), 52-53; cities of 100,000 or more (1890-1930), 62; cities of 25,000 to 100,000 (1930), 68.
 Number gainfully occupied—
 by sex, United States (1870-1930), 37; States (1900-1930), 52, 53; cities of 100,000 or more (1930), 62; cities of 25,000 to 100,000 (1930), 68.
 by sex and general divisions of occupations, United States (1910-1930), 39; States, 56-61; cities of 100,000 or more, 64-66.
 by sex and occupation, United States (1910-1930), 40; States and cities of 25,000 or more, *see* Vol. IV, Tables 4 and 5.
- Per cent distribution—
 by sex, of workers in each general division of occupations, States, 57; cities of 100,000 or more, 63.
 by sex and general divisions of occupations, United States (1910-1930), 39; States, 57, 59, 61; cities of 100,000 or more, 65, 67.
 by States, of workers in each general division of occupations (1930, 1920), 55.
 States, statistics for, *see* Age of gainful workers, Children in gainful occupations, etc.
 Statistics of occupations, by industry, affected by indefinite returns, 407.
 Unusual occupations for children, 9, 343; for women, 9.
