4812 (passenger)	2.14			X		Freight transportation arrangement services	<p>Arranging for the international or domestic transportation of goods, including all necessary customs clearances for international freight transportation, regulatory requirements, and related documentation for a shipment of goods. The service provider receives the power of attorney for one of the parties to the shipment, and represents the party in all aspects of ensuring that the shipment is transported according to the time and place specifications of the client. In addition to handling the regulatory aspects of the shipment, and ensuring the execution of the transportation, the service-provider also ensures that the proper payments are made by the parties to the shipment. Service usually includes arrangement of transportation for the goods, either with a client-specified provider on an existing contract, or under arrangements made entirely by the service-provider.</p> <p>Includes:</p> <ul style="list-style-type: none"> <li>• freight forwarding and NVOCC services.</li> <li>• providing freight transportation arrangement services bundled with customs brokering and/or load finding services.</li> </ul> <p>Excludes:</p> <ul style="list-style-type: none"> <li>• customs brokering services sold separately are in product 2.15, Customs brokering services.</li> <li>• load finding services sold separately.</li> </ul>	481111 481112 481212 482111 483111 483113 483211 484121 484122 484230 488510
