562	1.10					Products related to non-hazardous waste management	Other important products related to non-hazardous waste management provided by establishments classified in NAICS 562.  Includes • products such as brokerage services; renting, leasing, manufacturing, and reselling equipment; recovery and sale of methane and other recyclable materials; reselling services for non-hazardous waste and recyclable material; energy and compost production from non-hazardous waste; etc.	562111 562112 562212 562213 others
562	1.10.1	X				Non-hazardous waste brokerage services	Acting as an intermediary between the buyer and the seller of non-hazardous waste.	562111 423990
562	1.10.2	X				Non-hazardous recyclable material brokerage services	Acting as an intermediary between the buyer and the seller of recyclable material (e.g. cardboard, paper, plastics, metals, glass, and organic waste).	562111 423930
562	1.10.3	X				Rental of non-hazardous waste management equipment	Renting or leasing non-hazardous waste management equipment.  Includes: • delivery/pick-up, insurance (e.g., property, liability, warranty, and damage waiver), and maintenance and repair when bundled with the rental or lease agreement.  Excludes: • providing finance/capital leases. • renting and leasing equipment with operator. • maintenance and repair services sold separately. • insurance (e.g., property, liability, warranty, and damage waiver) sold separately. • brokerage or agency services for insurance (e.g., property, liability, warranty, and damage waiver) sold separately. • delivery/pickup services sold separately. • renting portable toilets is in product 1.1.9.4, Rental of portable toilets.  Subset of product 1.9.9 on 5324 list.	562111 532120 532411 532412 532490
562	1.10.4	X				Reselling services for non-hazardous waste, retail and wholesale	Retailing or wholesaling of non-hazardous waste (e.g., waste to be used as feedstock for an energy producing incineration facility) purchased on own account for resale or sold on a fee or commission basis for others. Revenue for this product includes the gross margin, fees, and commissions earned on sales.	562111 562920 423930 44-45

562	1.10.5	X				Energy generation from non-hazardous waste	Energy produced for sale that is generated on own-account through the incineration of non-hazardous waste.  Excludes: • energy purchased on own-account for resale or sold on a fee or commission basis for others.	562213
562	1.10.6	X				Recovered methane gas	Methane gas for sale that is produced on own-account by the decomposition of organic wastes in a landfill or a sanitary landfill site.  Excludes: • methane purchased on own-account for resale or sold on a fee or commission basis for others.	562212
562	1.10.7	X				Compost	Organic fertilizer for sale that is produced on own-account by controlled fermentation of organic non-hazardous waste.  Excludes: • compost purchased on own-account for resale or sold on a fee or commission basis for others.	562111 32531
562	1.10.8	X				Recyclable material recovered from a non-hazardous waste stream	Recyclable material (e.g., cardboard, paper, plastics, metals, glass, organic waste) for sale that is produced on own-account by recovery from a non-hazardous waste stream.  Excludes: • recyclable material purchased on own-account for resale or sold on a fee or commission basis for others.	562111 562920 423930 44-45
562	1.10.9	X				New non-hazardous waste management equipment	New specialized non-hazardous waste management equipment for sale that is manufactured on own-account.  Excludes: • new non-hazardous waste management equipment purchased on own-account for resale or sold on a fee or commission basis for others is in product 1.10.10, Reselling services for new non-hazardous waste management equipment, retail and wholesale.	562111 3324 333120 33331 333924 33399 33699 33999
562	1.10.10	X				Reselling services for new non-hazardous waste management equipment, retail and wholesale	Retailing or wholesaling of new non-hazardous waste management equipment purchased on own account for resale or sold on a fee or commission basis for others. Revenue for this product includes the gross margin, fees, and commissions earned on sales.  Excludes: • sale of used own-account equipment.	562112 4238 44-45

			CAN	MEX	US	Title	Definition	NAICS Industries Producing the Product
562	2.1.2	X				Residential collection services for hazardous waste	Collecting hazardous waste, as specified by legislation or regulation, from residential dwellings, including apartment buildings and condominiums. Waste may include recyclable materials and may be taken to an intermediate site or final disposal site.	562112
562	2.1.3					Non-residential collection services for hazardous waste	Collecting hazardous waste, as specified by legislation or regulation, from sources such as heavy and light industry, manufacturing, agricultural, warehousing, transportation, retail and wholesale commercial activities, restaurants, offices, educational or recreational facilities, health, and other service locations. Waste may include recyclable materials and may be taken to an intermediate site or final disposal site.	562112 926130
562	2.1.3.1	X				Non-residential collection services for hazardous waste (organic solvents, solutions, and still bottoms).	Collecting substances such as petroleum distillates, halogenated and non-halogenated still bottoms, halogenated and non-halogenated solvents with heavy metals, aromatic solvents and residues, from industrial, commercial, institutional, agricultural and service locations. Waste may include recyclable materials and may be taken to an intermediate site or final disposal site.	562112
562	2.1.3.2	X				Non-residential collection services for hazardous waste (oils and greases, oily mixtures, and residues)	Collecting substances such as waste oil and mixed oil, (e.g., waste crankcase oils and lubricants, oily water/waste oil, oily acidic solids, cutting oil), from industrial, commercial, institutional, agricultural and service locations. Waste may include recyclable materials and may be taken to an intermediate site or final disposal site.	562112
562	2.1.3.3	X				Non-residential collection services for hazardous waste (heavy metal solutions, sludges, and residues)	Collecting substances such as aqueous solutions with heavy metals (e.g., inorganic wastes from pigment manufacturing, neutralized solutions, sludges and residues containing heavy metals), heavy metal sludges (e.g., primary lead, zinc and copper smelting wastes), tannery waste sludges, photoprocessing/photochemical wastes, and waste mercury solutions from industrial, commercial, institutional, agricultural and service locations. Waste may include recyclable materials and may be taken to an intermediate site or final disposal site.	562112
562	2.1.3.4	X				Non-residential collection services for hazardous waste (inorganic sludges, solutions, and residues, except heavy metal)	Collecting substances such as ash, inorganic wastes (e.g., detergents and soaps), alum and gypsum sludges from industrial, commercial, institutional, agricultural and service locations. Waste may include recyclable materials and may be taken to an intermediate site or final disposal site.	562112

**NAPCS Product List for NAICS 562: Waste Management and Remediation Services**

			CAN	MEX	US	Title	Definition	NAICS Industries Producing the Product
562	2.1.3.5	X				Non-residential collection services for hazardous waste (pesticide, herbicide, and fungicide wastes)	Collecting substances such as halogenated and non-halogenated pesticide, herbicide and fungicide wastes from industrial, commercial, institutional, agricultural and service locations. Waste may include recyclable materials and may be taken to an intermediate site or final disposal site.	562112
562	2.1.3.6	X				Non-residential collection services for hazardous waste (polychlorinated biphenyls (PCB), wastes)	Collecting polychlorinated biphenyls (PCB) wastes used in electrical insulating fluids in capacitors and transformers, among others, from industrial, commercial, institutional, agricultural and service locations. Waste may include recyclable materials and may be taken to an intermediate site or final disposal site.	562112
562	2.1.3.7	X				Non-residential collection services for hazardous waste (biological-infectious waste)	Collecting pathological wastes (e.g., anatomical wastes, non-anatomical wastes, and sharps waste, such as needles and scalpels) and other biological-infectious wastes from industrial, commercial, agricultural, service, and institutional locations. Waste may include recyclable materials and may be taken to an intermediate site or final disposal site.	562112
562	2.1.3.8					Non-residential collection services for hazardous waste (radioactive waste)	Collecting radioactive wastes from industrial, commercial, agricultural, service, and institutional locations. Waste may include recyclable materials and may be taken to an intermediate site or final disposal site.	562112 926130
562	2.1.3.8.1	X				Non-residential collection services for hazardous waste (low-level radioactive waste)	Collecting low-level radioactive wastes from industrial, commercial, agricultural, service, and institutional locations. Waste may include recyclable materials and may be taken to an intermediate site or final disposal site.	562112 926130
562	2.1.3.8.2	X				Non-residential collection services for hazardous waste (high-level radioactive waste)	Collecting high-level radioactive wastes from industrial, commercial, agricultural, service, and institutional locations. Waste may include recyclable materials and may be taken to an intermediate site or final disposal site.	562112 926130
562	2.1.3.9	X				Non-residential collection services for hazardous waste (used tires)	Collecting used tires from industrial, commercial, agricultural, service, and institutional locations. Waste may include recyclable materials and may be taken to an intermediate site or final disposal site.	562112

			CAN	MEX	US	Title	Definition	NAICS Industries Producing the Product
562	2.1.3.10	X				Non-residential collection services for hazardous waste (used batteries)	Collecting used batteries (e.g., carbon, nickel, cadmium, lead, and zinc) from industrial, commercial, agricultural, service, and institutional locations. Waste may include recyclable materials and may be taken to an intermediate site or final disposal site.	562112
562	2.1.3.19	X				Nonresidential collection services for other hazardous waste	Collecting other hazardous waste from industrial, commercial, agricultural, service, and institutional locations. Waste may include recyclable materials and may be taken to an intermediate site or final disposal site.	562112
562	2.1.4	X				Cleaning and removal services for hazardous waste holding facilities	Testing, cleaning, and removing hazardous waste from holding facilities (e.g., industrial tanks, holding ponds, oxidation lagoons, and petroleum tanks).	562991 562998
562	2.2					Consolidation, storage, and preparation services for hazardous waste and recyclable material	Consolidating, storing, and preparing hazardous waste for transportation, and recovering recyclable material from the hazardous waste stream.	562112
562	2.2.1	X				Transfer facility services for hazardous waste	Consolidating, storing, and preparing hazardous waste for transportation to an appropriate facility for treatment, disposal, or reuse.  Includes: • services of drop-off centers and of transfer and container stations.	562112
562	2.2.2	X				Recovery and preparation services for hazardous waste recyclable material	Recovering hazardous recyclable material (such as used oils, solvents, and batteries) from the hazardous waste stream by sorting, consolidating, reducing volume, and preparing for shipment.	562112
562	2.3	X				Transportation of hazardous waste by road	Transporting hazardous waste by road from a transfer station or intermediate processing site to another intermediate site or to a final disposal site.  Excludes: • local collection and hauling of hazardous waste is in products under 2.1, Collection services for hazardous waste.  Subset of product 1.10.1 on Transportation of goods list.	562112 484220 484230

562	2.4					Treatment services for hazardous waste	Providing treatment services to reduce, eliminate, or transform hazardous waste. Processes include biological, chemical, and/or physical procedures, as well as incineration; such processes may lead to disposal and/or to the recovery of recyclable material.	562211 926130
562	2.4.1	X				Treatment services for hazardous waste (organic solvents, solutions, and still bottoms)	Treating substances such as petroleum distillates, halogenated and non-halogenated still bottoms, halogenated and non-halogenated solvents with heavy metals, aromatic solvents and residues.	562211
562	2.4.2	X				Treatment services for hazardous waste (oils and greases, oily mixtures, and residues)	Treating substances such as waste oil and mixed oil, (e.g., waste crankcase oils and lubricants, oily water/waste oil, oily acidic solids, cutting oil).	562211
562	2.4.3	X				Treatment services for hazardous waste (heavy metal solutions, sludges, and residues)	Treating substances such as aqueous solutions with heavy metals (e.g., inorganic wastes from pigment manufacturing, neutralized solutions, sludges and residues containing heavy metals), heavy metal sludges (e.g., primary lead, zinc and copper smelting wastes), tannery waste sludges, photo processing/photochemical wastes, and waste mercury solutions.	562211
562	2.4.4	X				Treatment services for hazardous waste (inorganic sludges, solutions and residues, excluding heavy metals)	Treating substances such as ash, inorganic wastes (e.g., detergents and soaps), alum, and gypsum sludges.	562211
562	2.4.5	X				Treatment services for hazardous waste (pesticide, herbicide, and fungicide wastes)	Treating substances such as halogenated and non-halogenated pesticide, herbicide, and fungicide wastes.	562211
562	2.4.6	X				Treatment services for hazardous waste (polychlorinated biphenyls (PCB) wastes)	Treating polychlorinated biphenyls (PCB) wastes.	562211

562	3.1.1					Site assessment services	Collecting information through on-site investigations, surveys, physical sampling, testing, and other activities to identify the existence, source, nature and extent of contamination to the air, water, soil, or other media on a site by a hazardous material.  Subset of product 1.1 on 54162 list.	562910 541330 541380 541620
562	3.1.1.1	X				Site assessment services, air	Collecting information through on-site investigations, surveys, physical sampling, testing, and other activities to identify the existence, source, nature and extent of contamination to the ambient air on a site by a hazardous material.  Same as product 1.1.2.3 on 54162 list.	562910 541330 541380 541620
562	3.1.1.2					Site assessment services, water	Collecting information through on-site investigations, surveys, physical sampling, testing, and other activities to identify the existence, source, nature and extent of contamination to the water on a site by a hazardous material.  Same as product 1.1.3.3 on 54162 list.	562910 541330 541380 541620
562	3.1.1.2.1	X				Site assessment services, water, on-site	Collecting information through on-site investigations, surveys, physical sampling, testing, and other activities to identify the existence, source, nature and extent of contamination of water on a site by a hazardous material.	562910 541330 541380 541620
562	3.1.1.2.2	X				Site assessment services, water, off-site	Collecting information through off-site investigations, surveys, physical sampling, testing, and other activities to identify the existence, source, nature and extent of contamination of water on a site by a hazardous material.	562910 541330 541380 541620
562	3.1.1.3					Site assessment services, soil	Collecting information through on-site investigations, surveys, physical sampling, testing, and other activities to identify the existence, source, nature and extent of contamination to the soil on a site by a hazardous material.  Same as product 1.1.4.1 on 54162 list.	562910 541330 541380 541620
562	3.1.1.3.1	X				Site assessment services, soil, on-site	Collecting information through on-site investigations, surveys, physical sampling, testing, and other activities to identify the existence, source, nature and extent of contamination of the soil on a site by a hazardous material.	562910 541330 541380 541620
562	3.1.1.3.2	X				Site assessment services, soil, off-site	Collecting information through off-site investigations, surveys, physical sampling, testing, and other activities to identify the existence, source, nature and extent of contamination of the soil on a site by a hazardous material.	562910 541330 541380 541620

**NAPCS Product List for NAICS 562: Waste Management and Remediation Services**

Industry Subject Area	Working Group Code	Tri-lateral Detail	Product National Detail			United States		
			CAN	MEX	US	Title	Definition	NAICS Industries Producing the Product
562	3.1.1.9	X				Site assessment services, nec.	Collecting information through on-site investigations, surveys, physical sampling, testing, and other activities to identify the existence, source, nature and extent of contamination to media, not elsewhere classified, on a site by a hazardous material.  Includes: • providing site assessment services for noise contamination or for contamination of two or more media (air, water, soil, and noise).  Includes product 1.1.1.1 on 54162 list.	562910 541330 541380 541620
562	3.1.2					Site remediation planning services	Developing a plan to remediate environmental contamination to the air, water, soil, or other media on a contaminated site, incorporating appropriate technical or other criteria as may be specified by legislation or regulation.  Same as product 1.3 on 54162 list.	562910 541330 541620
562	3.1.2.1	X				Site remediation planning services, air	Developing a plan to remediate air contamination at a particular site, incorporating appropriate technical or other criteria as may be specified by legislation or regulation.  Same as product 1.3.2 on 54162 list.	562910 541330 541620
562	3.1.2.2	X				Site remediation planning services, water	Developing a plan to remediate water contamination at a particular site, incorporating appropriate technical or other criteria as may be specified by legislation or regulation.  Same as product 1.3.3 on 54162 list.	562910 541330 541620
562	3.1.2.3	X				Site remediation planning services, soil	Developing a plan to remediate soil contamination at a particular site, incorporating appropriate technical or other criteria as may be specified by legislation or regulation.  Same as product 1.3.4 on 54162 list.	562910 541330 541620
562	3.1.2.9	X				Site remediation planning services, nec.	Developing a plan for the remediation of contamination, not elsewhere classified, at a particular site, incorporating appropriate technical or other criteria as may be specified by legislation or regulation.  Includes: • providing site remediation planning services for noise contamination or for contamination of two or more media (air, water, soil, and noise).  Includes products 1.3.1 and 1.3.5 on 54162 list.	562910 541330 541620
562	3.1.3					Site remediation clean-up services	Implementing an approved plan for remediation of air, water, or soil on a contaminated site, as may be specified by legislation or regulation.	562910

			CAN	MEX	US	Title	Definition	
562	3.1.3.1	X				Site remediation clean-up services, air	Implementing an approved plan for remediation of air on a contaminated site, as may be specified by legislation or regulation.	562910
562	3.1.3.2					Site remediation clean-up services, water	Implementing an approved plan for remediation of water on a contaminated site, as may be specified by legislation or regulation.	562910
562	3.1.3.2.1	X				Site remediation clean-up services, water, in-situ	Implementing an approved plan for in-situ remediation of water on a contaminated site, as may be specified by legislation or regulation.	562910
562	3.1.3.2.2	X				Site remediation clean-up services, water, ex-situ	Implementing an approved plan for ex-situ remediation of water on a contaminated site, as may be specified by legislation or regulation.	562910
562	3.1.3.3					Site remediation clean-up services, soil	Implementing an approved plan for remediation of soil on a contaminated site, as may be specified by legislation or regulation.	562910
562	3.1.3.3.1	X				Site remediation clean-up services, soil in-situ	Implementing an approved plan for in-situ remediation of soil on a contaminated site, as may be specified by legislation or regulation.	562910
562	3.1.3.3.2	X				Site remediation clean-up services, soil, ex-situ	Implementing an approved plan for ex-situ remediation of soil on a contaminated site, as may be specified by legislation or regulation.	562910
562	3.1.3.9	X				Site remediation clean-up services, nec.	Implementing clean-up services, not elsewhere classified, for remediation of air, water, or soil on a contaminated site, as may be specified by legislation or regulation.  Includes: • providing site remediation clean-up services which include two or more media.	562910
562	3.1.4					Control, containment, and monitoring services for site remediation	Managing a contaminated site in accordance with a remediation plan.  Includes: • operation and maintenance of equipment and/or technologies on the site for the purpose of preventing additional, or wider, contamination on the site or the movement of contaminants from the site. • monitoring of the site to determine the nature and extent of contamination at the site, the effectiveness of any remedial activities or remedial technologies; emissions from the site; and the impacts of the contaminants on the environment or human health. • controlling unauthorized access to the site.	561612 562910
