Statistical Abstract CD-ROM ... 1997 Edition

Available NOW!

This disc contains all that appears in the publication, minus a few copyrighted tables, plus additional years of data for time-series presentations (i.e., data for multiple years, greater detail in tabular format, and more geography, such as more data for states and smaller areas).

New for the 1997 edition are links to federal government web sites from tables supplied by federal agencies and departments. At these web sites you can find more information and check for the latest data.

The Adobe Acrobat software offers the advantage of viewing graphic images of actual pages from the book. Tables and charts, linked to a table of contents, appear in color highlighting important information and adding clarity to the graphics. The Adobe Acrobat search function allows for easy searching—simply enter a keyword or phrase for a full text search of all files, including text within graphics.

Spreadsheet files (.WK1 and .XLS formats) of Statistical Abstract tables, state rankings, and population of metropolitan areas offer the user direct access to more data than shown in either the publication or displayed using Adobe Acrobat.

The .WK1 and .XLS files can be directly retrieved in many popular software packages (Lotus 1-2-3, Excel or QuattroPro).

To order the *1997 Statistical Abstract CD-ROM*, see the form below. To order the *1997 Statistical Abstract* in book form, call:

Data Files

Data files recently released by the Census Bureau are listed below. They are sold by Customer Services (301-763-INFO(4636); TDD 301-457-4611) unless otherwise noted. Use the Census Bureau order form.

The cost of new files on computer tape generally is based on the file size, with the minimum charge being $175. The files are offered on tape reels or tape cartridges. Data files also are offered on CD-ROM. The price for a mass-produced CD-ROM, prepared for popular files, generally is $150.

Since the discs are specially prepared in response to customers' requests, orders take about 2 weeks. For further information about this service, contact Customer Services.

Files available on diskette ("floppies") for IBM compatible microcomputers also are listed.

An ever increasing variety of data files and product information (including this publication) can be accessed via the Internet. (See "Internet-New PDF Publications" section for more information.)

How to Order

Publications

Most Census Bureau publications are available through the Census Bureau's Customer Services or the Government Printing Office (GPO). They are also available in .pdf format through the Census Bureau's web site. The new publication entries in this *Monthly Product Announcement* direct you to the source and, if available via Internet, the web site's URL.

Both Customer Services and the GPO accept phone or fax orders when you charge to VISA, MasterCard, or a deposit account. GPO also accepts the Discover card. Both offer express service for off-the-shelf products for an extra charge when you order by phone.

Generally, if you order 100 copies or more of a publication sent to one address, you may take a 25-percent discount.

Data Files

To order data files, use the Census Bureau order form or

order by phone or fax, unless the entry gives other instructions.

Technical documentation accompanies each file, or it often may be ordered separately, using the Census Bureau form.

Files on computer tape are offered on tape reels or tape cartridges. The tape cartridges are IBM 3480 compatible (operable with StorageTek 4780 tape subsystems and Digital Equipment Corporation VAX TA90 subsystems).

When mass-produced, files on CD-ROM also are listed in the "Data Files" section earlier in this publication. Other tape files can be produced on CD-ROM by special order for the price of the tape. See the discussion under "Data Files."

Some data files are available on diskettes for IBM and compatible microcomputers.

Priority Service

Customer Services offers priority service for CD-ROMs for an extra $25 fee when you order by phone or fax. Orders received before 2:00 p.m. eastern time are processed and shipped the same day.
