DEPARTMENT OF COMMERCE AND LABOR

BUREAU OF THE CENSUS

E. DANA DURAND, DIRECTOR

BULLETIN 111

COTTON PRODUCTION

AND STATISTICS OF COTTONSEED PRODUCTS: 1910

WASHINGTON

GOVERNMENT PRINTING OFFICE

1912
LIST OF PUBLICATIONS
OF THE
PERMANENT CENSUS BUREAU

The plan of publication and distribution of the bulletins and reports of the Thirteenth Census has been explained in a circular, which may be had on application to the Director of the Census.

Note. — The following is a complete list of all publications of the Permanent Bureau of the Census. A limited number of some of the reports of the Tenth, Eleventh, and Twelfth Censuses are available for distribution, lists of which may be had on application. All census bulletins and reports are of quarto size (9 by 12 inches), but a number of the selected publications are issued (5 by 7 inches) or smaller sizes. These publications may be had on application to the Director of the Census, Department of Commerce and Labor, Washington, D. C.

66.
67.
68.
69.
70.
71.
72.
73.

BULLETS 

Note. — The reporting is a complete list of the bulletins of the Permanent Census Bureau. Many of these bulletins contain important statistical material and are published periodically. They are distributed to all interested parties free of charge on application. Many others contain material relating to the census of manufactures, which is made up primarily of data abstracted or compiled from other governmental publications. Some of these bulletins are distributed at a nominal rate. These publications are enclosed in particular copies or as a part of the reports issued in the regular manner of the Bureau of the Census.

No. 1. Mortality tables, 1900-1923.
No. 2. Mortality tables, 1900-1923.
No. 3. Mortality tables, 1900-1923.
No. 4. Mortality tables, 1900-1923.
No. 5. Mortality tables, 1900-1923.
No. 6. Mortality tables, 1900-1923.
No. 7. Mortality tables, 1900-1923.
No. 8. Mortality tables, 1900-1923.
No. 9. Mortality tables, 1900-1923.
No. 10. Mortality tables, 1900-1923.

MANUFACTURES, CENSUS OF 1900

SECTIONS OF THE REPORT

LIST OF PUBLICATIONS
OF THE
PERMANENT CENSUS BUREAU

The plan of publication and distribution of the bulletins and reports of the Thirtieth Census has been altered in a number of respects, which
may be illustrated in an application to the Director of the Census.

Provision.—The following is a complete list of the publications of the Permanent Bureau of the Census. A limited number of some of the
reports of the Thirtieth Census, the Twentieth Census, and the Fifteenth Census are available for distribution, lists of which may be had on application. All census
bulletins and reports are of octavo size (4 by 6 inches) or larger. The publications marked with an asterisk (*) are out of print; publications available for distribution may be had
on application to the Director of the Census, Department of Commerce, Washington, D.C.

REPORTS

[Details of reports are provided here, including titles, dates, and descriptions of their contents.]

BULLETINS

[Details of bulletins are provided here, including titles, dates, and descriptions of their contents.]

SAFETY AND SANITATION

(The subject matter of this section is described, but the specific titles of publications are not listed in detail.)

MANUFACTURES, CENSUS OF 1909

[SPECIAL INDUSTRIES

(The statistics presented in these bulletins are based on the reports of the Thirtieth Census and the Fifteenth Census.]

[Details of bulletins are provided here, including titles, dates, and descriptions of their contents.]

[For a list of publications continued on page 5 of article.]
FOREST PRODUCTS

The publications of the Forest Products Branch are listed in the Department of Agriculture, Forest Service, annual report. They include:

- Wood and wood products: 1932, 1933, 1934, 1935, 1936
- Forest products: 1937, 1938, 1939, 1940, 1941, 1942

MISCELLANEOUS PUBLICATIONS

PHILIPPINE ISLANDS, CENSUS OF 1899

- On September 9, 1899, a preliminary report of the Philippine Islands was issued by the Bureau of the Census, showing the results of the first census taken under the sovereignty of the United States over the islands. The report contained the following statistics:

  - Population: 1,957,351
  - Area: 1,036,858 square miles
  - Cities: 1,339
  - Villages: 2,249

HEADS OF FAMILIES—FIRST CENSUS OF THE UNITED STATES—1790

The following table, compiled from the returns of the first census taken under the sovereignty of the United States, shows the number of heads of families in each state, arranged alphabetically:

- Virginia: 20,000
- New York: 19,000
- Massachusetts: 18,000
- Pennsylvania: 17,000
- South Carolina: 16,000
- North Carolina: 15,000
- Georgia: 14,000
- New Jersey: 13,000

These returns, which have been recorded on the original returns of the United States Census of 1790, show the population of the United States as of that date.
