CALENDAR YEAR 1961 IMPORT DATA IN TERMS OF TSUS CLASSIFICATIONS

The 1961 TSUS (Tariff Schedules of the United States) value totals presented in this publication are a re-compilation of data originally compiled in terms of classifications presented in Schedule A, Statistical Classification of Commodities Imported Into the United States. This re-compilation is based on preliminary allocations of 1961 United States import trade data in terms of the classifications in TSUS, as furnished by the Tariff Commission. It is expected that additional data in terms of TSUS classifications will be prepared. As these data become available, appropriate announcements will be made.
