	Table.	Page.		Table.	Page.
A.			Blind, in 1880—Continued.		
Almshouse paupers, in 1880:			Showing the relation between the present ages and the ages at which blindness first appeared.	lxxiv	332-335
By states and territories, showing the ages by decennial periods, in the aggregate, and by sex, nativity, and race.	cxii	456-463	Showing the relation between the present ages and the ages at which blindness occurred.	lxxv	366-361
By states and territories, showing the total and average time, by days, spent in almshouses.	cix	453	Blind pupils in institutions in 1880, showing the number of each specified age, in the aggregate, and by sex, nativity, and race.	lxxi	341-342
Showing the number of each specific age, in the aggregate, and by sex, nativity, and race.	cx	454	B.		
Showing the physical condition, form of disability, and the number having relatives in the same institution, by sex, nativity, and race.	cxiii	464-475	Deaf and dumb, in institutions, in 1880:		
B.			By sex, race, and nativity, showing the assigned causes of deafness.	cii	422-425
Blind, 1830-'80, by states and territories, showing the apparent increase in the number during the past fifty years, also the ratio to 1,000,000 of population at each census.	lv	302-308	Showing the assigned causes of deafness.	ci	418-421
Blind, comparison of the dates and ages at which 31,193 were first attacked.	lxxix	365	Showing the relation between the present ages and the ages at which deafness occurred, based upon 4,821 cases.	xciv	398
Blind, comparison of the present ages of 31,193 with the ages at which they were first attacked.	lxxvii	363	Showing the relations between the present ages and the ages at which deafness occurred.	xcv	399
Blind, comparison of the present ages of 31,193, with the dates at which they were first attacked.	lxxviii	364	Deaf and dumb, in 1880, by states and territories:		
Blind, in institutions, in 1880, showing the relation between the present ages and the ages at which it occurred.	lxxx	366-367	Showing the ages by decennial periods, in the aggregate, and by sex, nativity, and race.	xcvi	388-395
Blind, in 1880:	lxxxii	370-373	Showing the assigned causes of deafness.	xcix	402-403
By counties, showing the number found in each county, in the aggregate, and by sex, nativity, and race; also the true number after redistributing to their places of permanent residence all who were temporarily absent from their homes June 1, 1880, either in institutions or elsewhere.	lxvi	309-336	Showing the assigned causes of deafness, in the aggregate, and by sex, nativity, and race.	c	404-417
By states and territories, classified according to the places in which they were found.	lxviii	338	Showing the number, in the aggregate, and by sex, nativity, and race.	lxxxiv	379
By states and territories, showing the ages, by decennial periods, in the aggregate, and by sex, nativity, and race.	lxxiii	344-351	Showing the number who are also insane, idiotic, or blind, in the aggregate, and by sex and race.	civ	426-430
Showing the number found in cities containing more than 50,000 inhabitants, in the aggregate, and by sex, nativity, and race.	lxvii	337	Showing the number who are of school age, in the aggregate, and by sex, nativity, and race.	xo	367
Showing the number found in institutions, in the aggregate, and by sex, nativity, and race.	lxix	339	Showing the number who are reported to have received special instruction in any institution for the deaf and dumb.	cxli	396-407
By states and territories, showing the number of blind, in the aggregate, and by sex, nativity, and race.	lxiv	301	Deaf and dumb, in 1880:		
Showing the number of each specified age, in the aggregate, and by sex, nativity, and race.	lxx	340	Showing the number found in cities containing more than 50,000 inhabitants, in the aggregate, and by sex, nativity, and race.	lxxxv	389
By states and territories, showing the number of the totally blind and of the semi-blind, in and outside of institutions, in the aggregate.	lxxvi	362	Showing the number found in institutions, in the aggregate, and by sex, nativity, and race.	lxxxvii	392-393
By states and territories, showing the number who are also insane, idiotic, or deaf, in the aggregate, and by sex and race.	lxxxiii	374-375	Showing the number of each specified age, in the aggregate, and by sex, nativity, and race.	lxxxviii	364
By states and territories, showing the number who are of school age, in the aggregate, and by sex, nativity, and race.	lxxii	343	Showing the relation between the present ages, and the ages at which deafness occurred, based upon 22,473 cases.	xcii	396
By states and territories, showing the number who are reported and have received special instruction in any institution.	lxxxii	368-369	Showing the relation between the present ages, and the ages at which deafness occurred.	xciii	397
			Deaf-mutes, comparison of the dates and ages at which they were first attacked by deafness.	xcviii	401
			Deaf-mutes, comparison of the present ages, with the ages at which they were first attacked by deafness.	xcvi	400
			Deaf-mutes, comparison of the present ages, with the dates at which they were first attacked by deafness.	xcvii	400
			Deaf-mutes, in 1880, classified according to places where found	lxxxvi	381
			Deaf pupils in institutions, in 1880, showing the number of each specified age, in the aggregate, and by sex, nativity, and race.	lxxxix	385-386
			H.		
			Homeless children, in 1880, by states and territories, showing the number, in the aggregate, and by sex, nativity, and race.	cv	443

580 INDEX TO DEFECTIVE, DEPENDENT, AND DELINQUENT CLASSES.

	Table.	Page.		Table.	Page.
I.					
Idiotic population, 1880: physical condition, in training-schools for the feeble-minded, by sex, nativity, and race.	liv	255	Inmates of reformatories, in 1880:		
Idiots, 1850-'80, by states and territories, showing the apparent increase in the number during the past thirty years, also the ratio to 1,000,000 of population at each census.	xxxiv	182-185	By states and territories, showing number of juvenile delinquents confined therein, by sex, nativity, and race.	cxxxii	551-553
Idiots, comparison of the dates and ages at which 63,128 were first attacked.	i	239	Showing the nature of the offense committed, by sex, nativity, and race.	cxxxv	562-565
Idiots, comparison of the present ages of 63,128, with the ages at which they were first attacked.	xlvi	238	Showing the number of each specified age, in the aggregate, and by sex, nativity, and race.	cxxxiv	561
Idiots, comparison of the present ages of 63,128, with the dates at which they were first attacked.	xlx	238	Insane, 1850-'80, by states and territories, showing the apparent increase in the number during the past thirty years, also the ratio to 1,000,000 of population at each census.	ii	4-7
Idiots in institutions, in 1880, showing the relation between the present ages and the ages at which idiocy first occurred.	{ xli	236	Insane, comparison of the dates and ages at which 65,768 were first attacked.	xlx	62
Idiots in training-schools, in 1880, showing the number of each specified age, in the aggregate, and by sex, nativity, and race.	{ xlvi	237	Insane, comparison of the present ages of 65,768, with the ages at which they were first attacked.	xi	60
Idiots, in 1880, by counties, showing the number found in each county, in the aggregate, and by sex, nativity, and race; also the true number after redistributing to their places of permanent residence all who were temporarily absent from their homes June 1, 1880, either in institutions or elsewhere.	xli	221	Insane, comparison of the present ages of 65,768, with the dates at which they were first attacked.	xii	61
Idiots, in 1880, by states and territories:	xxxv	186-213	Insane in institutions, in 1880, by states and territories:		
Classified according to the places in which they were found.	xxxvii	215	Showing the marital relations in the aggregate, and by sex and race.	xxvii	124-132
Classified according to the size of their heads, in the aggregate, and by sex, nativity and race.	lv	256-259	Showing the number of attacks, in the aggregate, and by sex, nativity, and race.	xxv	102-112
Classified according to their ability to articulate and to make use of speech, in the aggregate, and by sex, nativity, and race.	lviii	268-271	Showing the number reported to be in seclusion, in the aggregate, and by sex, nativity, and race.	xxviii	133-144
Classified according to their ability to use their hands, in the aggregate, and by sex, nativity, and race.	lvi	260-263	Showing the number reported to be under restraint, and the character of the restraints employed, in the aggregate, and by sex, nativity, and race.	xxix	145-157
Classified according to their ability to use their feet, in the aggregate, and by sex, nativity, and race.	lvii	264-267	Insane in institutions, in 1880:		
Showing in combination the gradation in idiocy in respect of size of head, articulation, and use of hands and feet.	lix	272-289	Showing the relation between the present ages, and the ages at which insanity first appeared, based upon 33,347 cases.	xxiii	96-97
Showing the ages by decennial periods, in the aggregate, and by sex, nativity, and race.	xlxiii	224-231	Showing the relation between the present ages, and the ages at which insanity first appeared.	xxiv	98-101
Showing the assigned causes of idiocy, in the aggregate.	li	240-241	Showing the reported number of epileptic, and of those with suicidal or homicidal tendencies, in the aggregate, and by sex, nativity, and race.	xxvi	113-123
Showing the assigned causes of idiocy, in the aggregate, and by sex, nativity, and race.	lii	242-253	Insane, in 1880, by counties, showing the number found in each county, in the aggregate, and by sex, nativity, and race; also the true number after redistributing to their places of permanent residence all who were temporarily absent from their homes June 1, 1880, either in institutions or elsewhere.	iii	8-37
Showing the marital relations, in the aggregate, and by sex, nativity, and race.	lxi	292-295	Insane, in 1880, by states and territories:		
Showing the number, in the aggregate, and by sex, nativity, and race.	xxxiii	181	Classified according to the places in which they were found.	v	39
Showing the number reported to have idiotic relations on the father's or mother's side, in the aggregate, and by sex, nativity, and race.	lx	290-291	Classified according to their form of insanity, in the aggregate, and by sex, nativity, and race.	xv	67-70
Showing the number residing outside of institutions who are reported to have received special training in any educational institution for the feeble-minded.	lxii	296-297	Showing the ages by decennial periods, in the aggregate, also sex, nativity, and age.	viii	44-51
Showing the number who are also deaf or blind, or both, in the aggregate, and by sex and race.	lxiii	298	Showing the marital relations, in the aggregate, and by sex and race.	xviii	76-79
Showing the number who are epileptic or paralytic, in the aggregate, and by sex, nativity, and race.	liii	251	Showing the number, in the aggregate, also sex, nativity, and race.	i	3
Showing the number who are of school age, in the aggregate, and by sex, nativity, and race.	xlxii	222-223	Showing the number of attacks, in the aggregate, and by sex, nativity, and race.	xiv	68-66
Idiots, in 1880:			Showing the number reported to be in seclusion, in the aggregate, and by sex, nativity, and race.	xix	80-83
Showing the number found in cities containing more than fifty thousand inhabitants, in the aggregate, and by sex, nativity, and race.	xxxvi	214	Showing the number reported to be under restraint, and the character of the restraint employed, in the aggregate, and by sex, nativity, and race.	xx	84-87
Showing the number found in institutions, in the aggregate, and by sex, nativity, and race.	xxxviii	216	Showing the number reported to have insane relatives, on the father's or mother's side, in the aggregate, and by sex, nativity, and race.	xvii	75
Showing the number in hospitals and asylums, in the aggregate, and by sex, nativity, and race.	xxxix	217-219	Showing the number who are also deaf or blind, or both, in the aggregate, and by sex and race.	xxii	94-95
Showing the number of each specified age, in the aggregate, and by sex, nativity, and race.	xl	220	Showing the number who were reported as having been treated in any hospital or asylum.	xxi	88-93
Showing the relation between the present ages and the ages at which idiocy first occurred.	{ xliv	232-233	Showing the reported number of epileptic, and with suicidal or homicidal tendencies, in the aggregate, and by sex, nativity, and race.	xvi	71-74
Inmates of reformatories, by states and territories, showing by sex, nativity, and race the number, duration of imprisonment to June 1, 1880, average age, and form of sentence imposed.	cxv	234-235	Insane, in 1880:		
	cxviii	554-561	Showing the number found in cities containing more than 50,000 inhabitants, in the aggregate; and by sex, nativity, and race.	iv	88

INDEX TO DEFECTIVE, DEPENDENT, AND DELINQUENT CLASSES 581

	Table.	Page.		Table.	Page.
Insane, in 1880—Continued.			Prisoners and inmates of reformatories in 1880, by states and territories, showing the states which they claim as their legal residence.	cxxii	500-501
Showing the number found in hospitals and asylums for the same, in the aggregate; and by sex, nativity, and race.	vi	49-42	Prisoners, by states and territories, showing their condition June 1, 1880.	cxxx	550
Showing the number of each specified age, in the aggregate; and by sex, nativity, and race.	vii	43	Prisoners, foreign born, in 1880, showing the nature of the offense committed.	cxxvi	514-519
Showing the number of patients admitted each year into each of ninety-two institutions, during the fifty years prior to the Tenth Census.	xxx	166-171	Prisoners, in 1880, by sex, nativity, and race, reported as serving sentences for double crimes.	cxxxv	512-513
Showing the number of patients treated each year in each of ninety-two institutions, during the fifty years prior to the Tenth Census.	xxxii	172-177	Prisoners, in 1880, by states and territories, classified according to places in which they were found.	cxxvii	465
Showing the relation between their present ages and the ages at which insanity first appeared, based upon 65,790 cases.	ix	52-55	Prisoners, in 1880, by states and territories: Showing the ages by decennial periods, in the aggregate, and by sex, nativity, and race.	cxxi	492-499
Showing the relation between their present ages and the ages at which insanity first appeared.	x	56-59	Showing the duration of incarceration, from the date of commitment until June 1, 1880.	cxxiii	502-503
Showing the total disbursements in each of ninety-two insane asylums, annually, for fifty years prior to the Tenth Census.	xxx	158-165	Showing the nature of the offense committed, by sex, nativity, and race.	cxxiv	504-511
Introductory remarks	-iv	vii	Showing the number incarcerated in each penitentiary, by sex, nativity, and race.	cxxvii	486-488
L.			Showing the number incarcerated in each workhouse and house of correction, by sex, nativity, and race.	cxxix	487-490
Letter of transmittal		v	Showing the number, in the aggregate, and by sex, nativity and race.	cxxv	479
P.			Prisoners in 1880, showing the number found in counties containing cities of more than 50,000 inhabitants, in the aggregate, and by sex, nativity, and race.	cxxi	484
Paupers in almshouses, 1850-1880, by states and territories, showing the apparent increase in the number during the past thirty years; also the ratio to the total population at each census.	cviii	449-452	Prisoners, in 1880, showing the number of each specified age, in the aggregate, and by sex, nativity, and race.	cxx	491
Paupers in almshouses, in 1880, by states and territories, showing the number in the aggregate, and by sex, nativity, and race.	cvi	447	Prisoners, number of, reported to have been punished by fine, and the amount imposed, for the year ending June 1, 1880.	cxxx	544-549
Paupers, outdoor, in 1880, by states and territories, showing the number in the aggregate, and by sex, nativity, and race.	cvii	448	Prisoners, number of, reported to have been sentenced to imprisonment for not less than one year, for the year ending June 1, 1880.	cxxviii	526-537
Paupers, outdoor, in 1880, showing the number of each specified age, in the aggregate, and by sex, nativity, and race.	cx	455	Prisoners, number of, reported to have been sentenced to imprisonment for short terms, and the amount of imprisonment to which they were sentenced, for the year ending June 1, 1880.	cxxix	538-543
Police statistics for 1880, of cities having 5,000 or more inhabitants.	cxxxvi	506-574	Prisoners, total number of, reported serving out sentence, with place where found, and nature of sentence imposed, for the year ending June 1, 1880.	cxxvii	526-525
Prisoners, 1850-80, by states and territories, showing the apparent increase in the number during the past thirty years, also the ratio to 1,000,000 of population at each census.	cxv	480-483
