	Page
Map of the United States showing geographic divisions.....	4
Appendix A.—Letter of transmittal—Construction industry (Form 33, distribution).....	174
Appendix B.—Report blank—Construction industry (Form 25, distribution).....	176

CHAPTER I.—INAUGURATION AND SCOPE

	Page		Page
Introduction.....	5	Explanation of terms—Continued.	
Existing statistics.....	5	General contractor.....	11
Demand for a census of the construction industry.....	6	Operative builder.....	11
Organization and method.....	6	Subcontractor.....	11
The report blank.....	6	Manufacturer, fabricator, or dealer contractor.....	11
Provisions of the census act.....	7	Salaries.....	11
Establishments required to report.....	7	Wages.....	11
The directory of contractors.....	7	Contract bond premiums.....	11
The canvass.....	8	Compensation and liability insurance.....	11
Compilation of statistics.....	8	All other overhead expenses.....	11
Methods of business.....	9	Subcontract work let.....	12
Audit of individual reports.....	9	Materials.....	12
Typical errors.....	9	Construction business.....	12
Tabulation.....	10	Construction work done.....	12
Explanation of terms.....	11	Classification of establishments.....	12
Establishment.....	11	Principal cities.....	12
Contractor.....	11	Allocation of reports.....	12

CHAPTER II.—ORGANIZATION OF THE CONSTRUCTION INDUSTRY

	Page		Page
Type of organization.....	13	Table II.—Date of incorporation of all classes of reporting establishments.....	17
Date of incorporation.....	13	Table III.—Length of time in business of all classes of reporting establishments.....	18
Length of time in business.....	13	Table IV.—Branch offices of all classes of establishments.....	19
Branch offices.....	14	Table V.—Color and nativity of firm members of all classes of reporting establishments.....	20
Color and nativity of firm members.....	14	Table VI.—Membership in contractors' associations of all classes of reporting establishments.....	21
Membership in contractors' associations.....	15		
Table I.—Type of organization of all classes of establishments.....	16		

CHAPTER III.—GENERAL SURVEY OF THE CONSTRUCTION INDUSTRY

	Page		Page
Overlapping classifications.....	23	Construction and its cost—Continued.	
Total construction during 1929.....	23	Relative cost of labor and materials.....	29
