

Industry Descriptions

NAICS code	Industry
3361	Motor vehicle, body, trailer, and parts manufacturing
3110	Food manufacturing
4540	Nonstore retailers
6221	General medical and surgical hospitals
3320	Fabricated metal product manufacturing
3344	Semiconductor and other electronic component manufacturing
3260	Plastics and rubber products manufacturing (except inflatable boats)
4520	General merchandise stores
3332	Industrial, metalworking, and general purpose machinery manufacturing (including laboratory apparatus)
4230	Merchant wholesalers, durable goods
3315	Ferrous and nonferrous foundries
3259	Paint, adhesive, soap, and other chemical manufacturing
3350	Electrical equipment, appliance and component manufacturing
4599	Other retail trade stores, including gasoline stations
3391	Medical equipment and supplies manufacturing
4450	Food and beverage stores
4240	Merchant wholesalers, nondurable goods
3399	Other miscellaneous manufacturing
3364	Aerospace product and parts manufacturing
3210	Wood product manufacturing
3345	Navigational, measuring, electromedical, and control instruments manufacturing, etc.
6211	Offices of physicians
4930	Warehousing and storage
3271	Clay and glass products manufacturing
3279	Cement, concrete, lime, gypsum, and other nonmetallic mineral product manufacturing
3333	Commercial, service industry, temperature control, and air-flow control machinery manufacturing (including laboratory freezers)
3220	Paper manufacturing
3311	Iron and steel mills, ferroalloy manufacturing, and steel product manufacturing from purchased steel
