Table 2-1. **Additions to Residential Structures--Owner Occupied Units with Black Householder**

Numbers in thousands. Weighting consistent with the 2000 Census.

Characteristics	Housing unit characteristics					Household characteristics			Selected Subareas[1]		
	Total occupied units	New construction 4 years	Manufactured/mobile homes	Physical problems		Elderly (65 years and over)	Moved in past year	Below poverty level	Area one	Area two	Area three
				Severe	Moderate						

[1] See introductory page for details of Selected Subareas.

[2]The sum of the estimates for work done by household plus work not done by household will not add to total. See appendix A.

[3]The total number of jobs may be greater than the sum of jobs done/not done by household since the total may also include jobs that are not reported for type of worker.
