A message from the Directors, U.S. Census Bureau and National Center for Science and Engineering Statistics

The U.S. Census Bureau has selected your business to participate in the **2015 Business R&D and Innovation Survey**. This national survey collects information from businesses operating in the U.S. and is the single most important source of up-to-date information on business research and development in the United States. Accurate information about R&D and innovation will help leaders in the public and private sectors make better decisions to strengthen American competitiveness.

YOUR RESPONSE IS REQUIRED BY LAW. Title 13 United States Code, Sections 8(b), 131, and 182, and Title 42 United States Code, Sections 1861-76 (National Science Foundation Act of 1950, as amended) authorize this collection. Title 13 United States Code, Sections 224 and 225 require businesses and other organizations that receive this questionnaire to answer the questions and return the report to the U.S. Census Bureau. We estimate this survey to take 35 minutes to complete. On the back of this letter you will find disclosure descriptions regarding Office of Management and Budget number; authority and confidentiality; and burden estimate statement. Please read the instructions and complete the form. You can complete your form online by following the instructions provided.

Title 13 United States Code, Section 9 also requires that we keep your answers strictly confidential. The information you provide may be seen only by persons sworn to uphold the confidentiality of Census Bureau information and may be used only for statistical purposes. Further, copies retained in your files are immune from legal process.

You can file your survey online through the Census Bureau's Business Help Site: https://econhelp.census.gov/brdscr. Electronic versions of the survey form (Excel and PDF) are also available from this website. Your user ID and password are:

Your company's response is due 30 days from receipt. If you need assistance or would like to request that a paper booklet be mailed to your company, please call our survey analysts at 1–800–772–7851, option '5', between 8:00 am and 4:45 pm Eastern time, Monday through Friday.

A small percentage of respondents to this survey may be asked to report additional detail on a follow-up survey. This detail is needed to produce comprehensive national statistics.

Thank you in advance for your cooperation.

Sincerely,

John R. Gawalt
DirectorNational Center for Science and Engineering Statistics
National Science Foundation

John H. Thompson

Enclosures

The Business R&D and Innovation Survey is conducted under a joint partnership agreement between the National Science Foundation and the U.S. Census Bureau.

OMB Number

You are not required to respond to this collection of information if it does not display a valid approval number from the Office of Management and Budget (OMB). The eight-digit OMB number is 0607-0912 and appears in the upper right corner of the report form/login screen.

Authority and Confidentiality

Title 13 United States Code, Sections 8(b), 131, and 182, and Title 42 United States Code, Sections 1861-76 (National Science Foundation Act of 1950, as amended) authorize this collection. Title 13 United States Code, Sections 224 and 225 require businesses and other organizations that receive this questionnaire to answer the questions and return the report to the U.S. Census Bureau. By Section 9 of the same law, your report is confidential. It may be seen only by persons sworn to uphold the confidentiality of Census Bureau information, and may be used only for statistical purposes. The law also provides that copies of your report retained in your files are immune from legal process.

Burden Estimate Statement

Public reporting burden for this collection of information is estimated to average 35 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: ECON Survey Comments 0607-0912, U.S. Census Bureau, 4600 Silver Hill Road, Room 6K064, Washington, DC 20233. You may e-mail comments to ECON.Survey.Comments@census.gov. Be sure to use ECON Survey Comments 0607-0912 as the subject.

Survey Results

Your survey information will be aggregated to produce summary statistics for reports produced by the National Science Foundation (NSF). You can learn more about the ways the data collected by this survey are used at http://www.nsf.gov/statistics/srvyindustry/about/brdis/how.cfm.
