1. Your data and answers will help update the Census which is used by the government to plan for schools, hospitals, roads, and more. This includes planning for the needs of every person.

2. Count everyone in your house. This includes: 
   - Children under 1 year old 
   - People temporarily away from home 
   - Everyone who is visiting your home 
   - Residents of all ages, including those who are homeless.

3. You can also count yourself and everyone else who might be visiting your home on Census Day, April 1, 2010.

4. Filling out the form can help your community get: 
   - Schools and libraries 
   - Health clinics and hospitals 
   - Ramps for the elderly 
   - Public transportation

5. Follow the instructions on the back of the form to complete your form.

6. Go to www.census.gov for more information.

7. If you have any questions or need help filling out the form, contact the Census Bureau at 1-800-823-1140 (English) or 1-800-634-9705 (Spanish).

8. In order to improve the accuracy of the Census data, we ask you to complete your form as accurately as possible. This is important so that we can provide the most accurate data to the government.

9. The Census Bureau is independent and does not share your information with any other government agency.

10. The Census Bureau is required by law to protect your data under the 1978 confidentiality protections.
