2020 CENSUS PROGRAM MEMORANDUM SERIES: 2016.09

Date: July 26, 2016

MEMORANDUM FOR: The Record

From: Lisa M. Blumerman (**signed July 26, 2016**)
Associate Director, Decennial Census Programs

Subject: Investigating the 2010 Undercount of Young Children – A New Look at 2010
Census Omissions by Age

Contact: Scott Konicki

This memorandum documents research on the estimation of 2010 Census omissions by age groups. This analysis estimates census omissions in a new way, harnessing the unique strengths of both Demographic Analysis and the Census Coverage Measurement Survey. This research is part of an effort to investigate the undercount of young children in the decennial census.

The 2020 Census Memorandum Series

The 2020 Census Memorandum Series documents significant decisions, actions, and accomplishments of the 2020 Census Program for the purpose of informing stakeholders, coordinating interdivisional efforts, and documenting important historical changes.

A memorandum generally will be added to this series for any decision that meets the following criteria:

1. A major program level decision that will affect the overall design or have significant effect on the 2020 Census operations or systems.
2. A major policy decision or change that will affect the overall design or significantly impact on the 2020 Census operations or systems.
