**2020 CENSUS PROGRAM MEMORANDUM SERIES: 2017.05**

**Date:** January 19, 2017

**MEMORANDUM FOR:** The Record

**From:** Lisa M. Blumerman **(signed January 19, 2017)**  
Associate Director, Decennial Census Programs

**Subject:** Investigating the 2010 Undercount of Young Children – Examining Data  
Collected During Coverage Followup

**Contact:** Scott Konicki

This memorandum documents research on the young children who were added to the 2010 Census during the Coverage Followup operation. This analysis identifies instances where respondents made rostering errors that the Coverage Followup interview was able to correct. This research is part of an effort to investigate the undercount of young children in the decennial census.

**The 2020 Census Memorandum Series**

The 2020 Census Memorandum Series documents significant decisions, actions, and accomplishments of the 2020 Census Program for the purpose of informing stakeholders, coordinating interdivisional efforts, and documenting important historical changes.

A memorandum generally will be added to this series for any decision or documentation that meets the following criteria:

1. A major program level decision that will affect the overall design or have significant effect on 2020 Census operations or systems.
2. A major policy decision or change that will affect the overall design or significantly impact 2020 Census operations or systems.
3. A report that documents the research and testing for 2020 Census operations or systems.
