

**2020 CENSUS PROGRAM MEMORANDUM SERIES: 2018.22**

**Date:** December 4, 2018

**MEMORANDUM FOR:** The Record

**From:** Albert E. Fontenot, Jr. (**signed December 4, 2018**)  
Associate Directorate, Decennial Census Programs

**Subject:** Investigating the 2010 Undercount of Young Children – Analysis of Complex Households

**Contact:** Scott Konicki

This memorandum documents analysis of household structure in the 2010 Census. The results show which types of households were more likely to have coverage errors for young children. This research is part of an effort to investigate the undercount of young children in the decennial census.

**The 2020 Census Memorandum Series**

The 2020 Census Memorandum Series documents significant decisions, actions, and accomplishments of the 2020 Census Program for the purpose of informing stakeholders, coordinating interdivisional efforts, and documenting important historical changes.

A memorandum generally will be added to this series for any decision or documentation that meets the following criteria:

1. A major program-level decision that will affect the overall design or have significant effect on the 2020 Census operations or systems.
2. A major policy decision or change that will affect the overall design or significantly impact 2020 Census operations or systems.
3. A report that documents the research and testing for 2020 Census operations or systems.
