This memorandum documents the release of the Response Processing Operation Detailed Operational Plan version 2.0. The Response Processing Operation Detailed Operational Plan version 1.0 did not include sections on the response processing post-data collection activities. These sections are now included for all areas, including stateside areas, Puerto Rico, and the Island Areas. Additional updates have been made throughout the document to reflect the current design of this operation.

The 2020 Census Memorandum Series

The 2020 Census Memorandum Series documents significant decisions, actions, and accomplishments of the 2020 Census Program for the purpose of informing stakeholders, coordinating interdivisional efforts, and documenting important historical changes.

A memorandum generally will be added to this series for any decision or documentation that meets the following criteria:

1. A major program-level decision that will affect the overall design or have significant effect on 2020 Census operations or systems.
2. A major policy decision or change that will affect the overall design or significantly impact 2020 Census operations or systems.
3. A report that documents the research and testing for 2020 Census operations or systems.
