POPULATION

OF SUCH

CITIES, TOWNS, TOWNSHIPS, HUNDREDS, &c., IN THE UNITED STATES,

AS HAVE BEEN ASCERTAINED AT THE CENSUS OFFICE.

THE letter T affixed to a place designates the town in the township, &c. of the same name in the same county. "Bor." is an abbreviation of *borough*. The asterisk (*) is placed wherever the slave population cannot be defined, and is therefore not included; and the obelisk (†) wherever there is probability that slaves owned in, but not residents of, the town, are included.

Towns, the population of which is ascertained from other sources than the census schedules, are put in *italics*, and the figures are generally for 1853 or 1854.

Cities, towns, townships, &c.	County, district, or parish.	State.	Total Population.
