

2010 Census Demographic Profile Summary File Data Note 1—Commonwealth of the Northern Mariana Islands

The information presented in the *2010 Census Demographic Profile* and subsequent data products for this Island Area should be used as the source of information for demographic, social, economic, and housing subjects collected in the 2010 Census. Note different distributions may exist between the *Demographic Profile* and the *Advance Report for Selected Characteristics* for this Island Area because of fine-tuning statistical safeguards for disclosure protection.
