

Custodial Mothers and Fathers and Their Child Support: 2013

Series P60-255

Detailed Tables

User Note:

Changes first implemented in the April 1994 Current Population Survey and used in subsequent surveys mean that many recent data are not directly comparable with data from the April 1992 CPS and earlier supplements. See Current Population Reports, Series P60-255, "Custodial Mothers and Fathers and Their Child Support: 2013" for additional discussion. Programs, child support, and income amounts refer to previous calendar year. Information on the source of the data and accuracy of the estimates, including standard errors and confidence intervals, can be found at www.census.gov/prod/techdoc/cps/cpsmar14.pdf.
