(S) Estimate does not meet publication standards because of high sampling variability or poor response quality. Unpublished estimates derived from this table by subtraction are subject to these same limitations and should not be attributed to the U.S. Census Bureau.

(D) Estimate is withheld to avoid disclosing data of individual companies; these data are included in higher level totals.

Note: Estimates are not adjusted for price changes. Additional information on confidentiality protection, sampling error, sample design, and definitions may be found at <http://www.census.gov/wholesale/www/how_surveys_are_collected/annual_methodology.html>.
