If an establishment is NOT engaged in one of these kinds of businesses, DESCRIBE its business or activity in item 19 AND COMPLETE the report form as accurately as possible.

**DEFINITION OF ESTABLISHMENT**

An establishment is generally a single physical location where business is conducted or where services or industrial operations are performed. This includes all locations of a company or organization, including administrative offices, warehouses, etc., that were in operation at any time during 2012. Report activity for each establishment on a separate form. Locations with no paid employees, including broadcasting antennas, telephone relay and switching stations, and other similar facilities, are not considered separate establishments.

**GENERAL INSTRUCTIONS**

- Please report information for each establishment owned or controlled by the company or organization. If the company or organization has multiple locations and an Ownership and Control flyer was included in your mailing package, please complete the enclosed flyer. If your mailing package does not include this flyer and separate report forms are not provided for each establishment, visit econhelp.census.gov or call 1-800-233-6136, to request additional report forms.

- Each report form should cover calendar year 2012. If book figures are not available, estimates are acceptable. If your fiscal year covers at least 10 months of calendar year 2012, you may report all items except payroll on a fiscal year basis. Calendar year figures for payroll should be available from your Internal Revenue Service (IRS) Form 941, Employer’s Quarterly Federal Tax Return, or Form 944, Employer’s Annual Federal Tax Return. Indicate in item 30 the exact dates covered.

- If an establishment stopped operating before January 1, 2012, indicate action and date in item 3, mark “X” the box to indicate “None” in item 4, and return the report form.

- If an establishment was closed, sold, or leased to another company or organization during 2012, complete the report form for the portion of 2012 that the establishment was operating as part of the company or organization.

- Dollar figures should be rounded to the nearest thousand dollars as illustrated on the report form.

- Please photocopy each report form for your records and return the originals.

- Public reporting burden for this collection of information is estimated to vary from 18 minutes to 5 hours and 6 minutes per response, with an average of 1 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Paperwork Project 0607-0934, U.S. Census Bureau, 4600 Silver Hill Road, AMSD-3K138, Washington, DC 20233.
