A revision to the State Reports was released in November 2010. The errata from this revision documented the following items:

For every state except Hawaii (which did not have sample sizes large enough to report), certain numbers reported in the printed state reports and in the online versions prior to 11/10/2010 were incorrect for Table 18 (page 36). The first ten rows ("All Hunting" and "Big Game" categories) were correct, but the amounts reported for "Small Game," "Migratory Bird," and "Other Animals" in the "Average per hunter (dollars)" column were incorrect.
