A Message from the U.S. Census Bureau:

Our records indicate that we have not received your **2026 Health Insurance Cost Study** response for the Insurance Component of the Medical Expenditure Panel Survey (MEPS-IC). If you have recently submitted your survey, **thank you.** If you have not yet reported, **please do so within 15 days.**

You may use the enclosed questionnaire as a worksheet prior to reporting online or return the completed questionnaire in the enclosed envelope. In addition to the completed questionnaire, please include the Summary of Benefits and Coverage or other plan brochures describing the benefits offered by each of your plans. **Online reporting is encouraged due to cost savings and reduced processing times.** Instructions for online reporting can be found on the front page of the questionnaire. If reporting online, plan brochures or benefits summaries can be uploaded to our website.

Thank you in advance for your time and cooperation. Your response makes a difference.

Sincerely,

Lisa E. Donaldson
Assistant Director for Economic Programs
U.S. Census Bureau
