A Message from the Director, U.S. Census Bureau:

Our records indicate that we have not received your **2026 Health Insurance Cost Study** response for the Insurance Component of the Medical Expenditure Panel Survey (MEPS-IC). If you have recently submitted your survey, **thank you.** If you have not yet reported, **please do so within 15 days.** Healthcare costs are an important issue in the United States. Policymakers and researchers rely on current information to guide our Nation's healthcare system. Your response makes this possible. If you are unable to access the records needed to answer the questions in this survey, please provide your best estimate.

Respond for the address:

To complete the survey online:

OMB Number

This collection has been approved by the Office of Management and Budget (OMB). The eight-digit OMB approval number is 0935-0110 and appears at the upper right of the survey form/login screen. Without this approval, we could not conduct this survey

Authority

Title 13 U.S.C. Section 9(b) states "The confidential treatment of data for particular individuals and establishments, shall not apply to the censuses of governments provided for by subchapter III of chapter 5 of this title with respect to any information obtained therefore that is compiled from, or customarily provided in, public records." As such, the protections described in the following paragraph do not apply to information obtained from governments that is otherwise publicly available.

We are conducting this study under the authority of Section 913 of the Public Health Service Act (Title 42, United States Code (U.S.C.), Section 299b-2). Sections 924c and 308d of that Act (42 U.S.C. Section 299c-3(c) and 42 U.S.C. Section 242m, respectively) ensure the confidentiality of your responses will be maintained. It may be seen only by individuals sworn to uphold U.S. Census Bureau confidentiality and may be used only for statistical purposes.

Burden Estimate Statement

We estimate this survey will take 45 minutes, on average, to complete, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. If you offered more than two plans, we estimate an extra 11 minutes per additional plan. Factors such as company size, complexity, and activity will affect your actual time to complete the survey.
