A Message from the Acting Director, U.S. Census Bureau:

We request your participation with the **Manufactured Housing Survey**. This survey is conducted by the U.S. Census Bureau and sponsored by the Department of Housing and Urban Development (HUD). It produces monthly regional estimates of the average sales price for new manufactured homes, detailed annual estimates including selected characteristics of new manufactured homes, and monthly estimates of homes shipped by status.

The enclosed form identifies the selected manufactured home in Section I. Please complete Sections II through IV. Use the enclosed form as a worksheet prior to reporting online. Website and login information can be found on the front page of the form. Online reporting is easy, reduces costs, and decreases processing times. You may elect to return the completed form in the enclosed envelope instead of responding online. You may also submit your survey by fax (1 -800-274-0761). If we do not receive your response by the due date printed on the form, we will contact you by telephone.

YOUR RESPONSE WILL BE KEPT STRICTLY CONFIDENTIAL. Information about the authority, confidentiality, and burden of this data collection can be found on the back of this letter.

For assistance with completing this survey, please call our customer help line at 1-800-845-8249, Monday through Friday, 8:00 a.m. to 4:30 p.m. Eastern time.

Thank you in advance for your time and participation, and for helping the U.S. Census Bureau measure America's people and economy.

Sincerely,

Ron S. Jarmin
Acting Director
