

A Message from the Director, U.S. Census Bureau:

We are requesting your cooperation with the **Manufactured Housing Survey**. This survey is conducted by the U.S. Census Bureau and sponsored by the Department of Housing and Urban Development (HUD). It produces monthly regional estimates of the average sales price for new manufactured homes, detailed annual estimates including selected characteristics of new manufactured homes, and monthly estimates of homes shipped by status.

The enclosed form identifies the selected manufactured home in Section I. Please complete Sections II through IV either online or by completing and returning the form in the enclosed envelope. Online reporting is encouraged due to cost savings and reduced processing times. Website and log in information can be found on the front page of the form. You may also submit your survey by fax (1-800-274-0761).

YOUR RESPONSE WILL BE KEPT STRICTLY CONFIDENTIAL. We estimate this survey will take an average of 20 minutes to complete. Additional information about the authority, confidentiality, and burden of this data collection can be found on the back of this letter.

For assistance with completing this survey, please call us on 1-800-845-8249, Monday through Friday, 8:00 a.m. to 4:30 p.m. Eastern time.

Thank you in advance for your time and cooperation, and for helping the U.S. Census Bureau measure America's people, places, and economy. Your response makes a difference.
