     Used to determine if the household in
     which this person lived changed
     composition over the 4 reference months
     or in the 5th month up until date of
     interview.  A change in address is not
     reflected in this field unless the
     composition of the group living
     together changes as a result.  The
     first field is always "1".  For each
     succeeding month the value of the field
```

is the same as for the preceding month if there has been no change in composition. If a change has occurred, the field for the following month is one greater than the field for the preceding month. Month 1. Range = 1
