

A Message from the Director, U.S. Census Bureau:

We are requesting your cooperation with the **Business and Professional Classification Survey**. This one-time survey collects information from businesses that were recently assigned Federal Employer Identification Numbers. This information is used to ensure that our country's economic statistics account for new businesses, and accurately classify business activity.

Please report online using the information below and keep this letter for future reference:

YOUR RESPONSE IS REQUIRED BY LAW and will be kept strictly **CONFIDENTIAL**. We estimate this survey will take an average of 13 minutes to complete. Additional information about the authority, confidentiality, and burden of this data collection can be found on the back of this letter.

For assistance with completing this survey, visit us online at the website above or call our customer help line at 1-800-253-1882, Monday through Friday, 8:30 a.m. to 5:00 p.m. Eastern time.

Thank you in advance for your time and cooperation, and for helping the U.S. Census Bureau measure America's people, places, and economy. Your response makes a difference.

OMB Number

This collection has been approved by the Office of Management and Budget (OMB). The eight-digit OMB approval number is 0607-0189 and appears at the upper right of the login screen. Without this approval, we could not conduct this survey.

Authority and Confidentiality

Title 13 United States Code, Sections 131, 182, and 193, authorizes this collection. Sections 224 and 225 require your response. The U.S. Census Bureau is required by Section 9 of the same law to keep your information confidential and can use your responses only to produce statistics. The Census Bureau is not permitted to publicly release your responses in a way that could identify your business, organization, or institution. Per the Federal Cybersecurity Enhancement Act of 2015, your data are protected from cybersecurity risks through screening of the systems that transmit your data.

Burden Estimate Statement

We estimate this survey will take an average of 13 minutes to complete, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
