Automated Export System (AES) Compliance Spanish Seminar in Ft Lauderdale, FL

The U.S. Commercial Service South Florida is partnering with the U.S. Census Bureau and NOVA Southeastern University's H. Wayne Huizenga Business School to bring you an Automated Export System (AES) Spanish Compliance Seminar and a Spanish AESPcLink Workshop in Ft Lauderdale, FL on March 5-6, 2013.

The U.S. Census Bureau experts will cover the filing requirements of the Foreign Trade Regulations (FTR), how to classify your commodities by providing an understanding of the Schedule B classification requirements, and provide a thorough overview of the AES.

The second day will offer a Spanish AESPcLink Workshop (morning or afternoon session) in which participants can enjoy the benefits of FREE electronic filing of their export information via the Windows-based desktop PC Component AESPcLink. Come learn how to successfully file your export information in this hands-on PC training workshop.

Training is provided by the U.S. Department of Commerce (U.S. Census Bureau, Bureau of Industry & Security) and the U.S. Department of Homeland Security (Customs & Border Protection).
