How to Create an Export Compliance Program for Your Company - Webinar Wednesday, April 3, 2013

U.S. Census Bureau sent this bulletin at 04/01/2013 01:24 PM EDT
March 28, 2013

AES Broadcast # 2013025**How to Create an Export Compliance Program for Your Company - Webinar***Date: Wednesday, April 3, 2013**Time: 2:00 – 3:00 p.m. EST***Overview:**

Are you interested in learning about the elements of an effective export management and compliance program recommended by BIS? Tom Andrukonis, Director of BIS's Export Management and Compliance Division in the Office of Exporter Services, will discuss these elements at this April 3, 2013 webinar. This webinar is designed to help organizations create or enhance their export compliance programs. This webinar will be helpful for managers, sales staff, logistics staff, and export compliance specialists who already understand the export control regulation basics and are looking to use that knowledge to design or enhance an effective compliance program for their organizations.
