(1) Known value is defined as the portion of U.S. total general imports that could be matched to specific companies.
(2) Percent of company type value is computed relative to the sector's total value, e.g., the top 4 wholesalers account for 11.6 percent of the total value for all wholesalers.
(3) Includes manufacturing companies of prepackaged software and books, freight forwarders and other transportation service firms, business services, engineering and management services, gas and oil extraction companies, coal mining companies, communicatior services, etc.

Note: This exhibit is compiled using data from import trade information and the Business Register. For information on nonsampling errors and other data limitations, see the Technical Documentation.
