1 Report Coverage

This report covers all domestic locations that report payroll for the Federal Employer Identification Number (EIN) shown in the address label primarily engaged in the described health services activities. Include locations of health practitioners having the degree of O.D. (Doctor of Optometry) engaged in the independent practice of optometry. These primary health care professionals examine, diagnose, treat, and manage diseases and disorders of the visual system, the eye and associated structures, as well as diagnose related systemic conditions. They prescribe glasses, contact lenses, low vision rehabilitation, visual therapy and medications, as well as perform certain surgical procedures. They operate private or group practices in their own offices (e.g., centers, clinics) or in the facilities of others, such as hospitals or HMO medical centers, and may also provide the same service as opticians.
