- Revenue from the sale of used equipment.

Item Specific Instructions

Item 4 – Operating Revenue

Line 1 – Motor Carrier Revenue

Report revenue for transportation of property by motor vehicles. **Include** revenue from furnishing vehicles **with** drivers to other carriers under lease or similar arrangement.

In the event that a portion of the transportation had to be purchased from another carrier to complete the contract, please use the following guidelines:

Report total revenue if all purchased transportation was on your own account. (You have legal obligation to pay for the purchased transportation).

Report only the revenue collected for your portion of the haul, plus any additional income from commissions and fees for arranging the transportation, if the transportation was purchased on the client's account. (Your client has legal obligation to pay for the purchased transportation).

Line 2 – Other Operating Revenue

Report other operating revenue including sales from the operation of lunchrooms, restaurants, snowplow work, etc.; revenue from the parking and storage of vehicles; revenue received from other carriers for the use of terminal facilities operated by this firm, including amounts billed separately for repair services; revenue from short-term rental or extended-term operating leases (with or without maintenance) of trucks, truck-tractors, or trailers, **without** drivers; fair sales value of merchandise marketed under capital, finance, or "full payout" leases; and commissions for providing brokerage services, making payroll deductions, collecting freight charges for other carriers; etc. **Exclude** revenue from other operating units from this firm; the value of used equipment or used vehicles sold; revenue from installment payments from leasing vehicles, tools, etc., marketed under capital, finance, or "full payout" lease; and non-operating revenue such as income from investments, the sale of securities, real estate, etc.
